Absolutely Wonderful! What an incredible book! I wish I could possess known Mama Peaches. Through this book, we learn just what a special woman she was. This book isn't only a testimony of a precious relationship between a mom and son fighting sickness nonetheless it is a tremendous reference for caregivers. I laughed so hard and sensed the compassion, like, and empathy from "Mama Peaches" words of wisdom. Mr. Chaney also provides help spiritually with the countless prayers included. I pray others enjoy it as I do. This is a publication you will get back to for encouragement and information again and again. Odessa "Peaches" Chaney because to have known her was to love her.! It will definitely be a breath of oxygen and direction! We all need Mama Peaches' Advice I wish I had had this publication and Christopher's first one when my sister and I were caring for our mom. Mr. I fell in love with the books because I therefore wish I got known his mother. EASILY need a good laugh, I just read some of his mom's information. The reserve is insightful, not really intimidating, filled with love and humor, and something his mother will be proud to know was written by her boy Christopher Chaney. Many thanks for sharing your experiences. I found the book to be captivating, just reading it brought back lots of memories for me personally; you see, I had the pleasure to be Mama Peaches hairstylist for a couple of years and I too was offered a few Warm Slices of Wisdom. Although my mom deals with a whole lot of physical ailments, she has not reached the point where she takes a caregiver, but you can bet your last dollar that when that time comes, I'll refer to Christopher's books on Mama Peaches as helpful information or how exactly to; Many that I live by even today so for me personally to see some of them in this book is a special treat. What a great way to learn good tips and a little bit of comedy to a otherwise horrible disease many adults have to endure with their parents. Once more, I really enjoyed this book and appearance forward to any thing more that he is willing to talk about about his knowledge with being a caregiver for Ms. Make sure you talk about one with another person who is a caregiver! There was never a dull second. Great read! I loved Mama Peaches Hot Slices of Wisdom. What a joy! This book hits home for me because I have already been a care giver to my mother for quite some time. There is a lot of truth to them. I laughed a whole lot. You know laughter is good for the soul. I was so into the crazy story about the Ambulance contact. I've read them over and over.. I also appreciated the prayers. Chaney's book is usually everything! Many have been written on this topic but this is actually the best yet.? Does she still have that job? Christopher Chaney captures your immediate attention with his "Mama Peaches" tales as I possibly could definitely relate to having an upbringing engraved with strong females ("mamas") of wisdom. Many thanks for all the details on Caregiving Resources. I am likely to purchase even more of your books as presents for people that are dealing with this situation. OH THIS FEELS SO EXCELLENT I could really related to Hot Slices of Wisdom because like Christopher I grew up by an "Old School Mom". I will also be purchasing your other book Mama Peaches and me next. Inspiring, Practical Information to Caregiving Caregiving for someone you care about with Alzheimer's Disease, because so clearly depicted simply by Christopher Charles Chaney, is definitely fueled simply by heartwarming intentions that stumble more than reality. That must have been a test of your faith Definitely crazy. This book is this encouragement. This

publication certainly offers you the tangible tools, resources, and spiritual guidance to aid in the event you turn into a caregiver to someone you care about. I completely recommend this book and thank Mr.. They are good reminders of many truths and I'll look at .. Many thanks for your Inspiration. The girl that you named "stoo " she really has issues. I laughed aloud to numerous of Mama Peaches sayings that remind me of my grandmother. The writer has a way of illustrating the stories as if you are right there. As someone who dropped a grandparent to Alzheimer's disease, I can relate to some of his story with his mother. The Prayer Toolbox is definitely amazing and the prayers supplied can connect with anyone in every different situations in lifestyle. The Caregiving Resources section is no-question an amazing gift to all caregivers out there, who could be barely treading water. This is a publication of nostalgia, laughter, and hope and I am adding to my vacation gift-buying list. Amazing Insight!! As an associate of Era X, I come across myself looking after my kids while also caring for ailing parents, aunts, and uncles. This reserve is filled with humor, insight, and wisdom on how best to manage several elements of that equation. Awesome! What a terrific way to learn good tips and a little bit of .. Chaney for posting his trip as a caregiver. right before I get in touch with Christopher himself for his knowledge. A outstanding must read!It really is so refreshing to learn this and not just have the ability to relate but receive spiritual encouragement thru scripture and prayer, and possess a good laugh. What ever happened to her. They are great reminders of many truths and I will look at them often. I cherished mama Peaches previous fashion sayings. I had the satisfaction of reading this wonderful book. I go through it in one sitting. From the moment I found the cover of the publication, I was indeed confident that I produced the right purchase. So many of these "hot slices" of wisdom are both relateable and comical. Ideal for the caregiver who's still in the trenches! Proud Mama Christopher has the connection with a caregiver which he shares his lessons in a unique way. In this book which is sprinkled with his Mama's amazing sayings, similar to my mother in law's (they must be a Southern thang), he shares the items he learned as he looked after her in the old age of her life. Christopher gives a new caregiver a good guide for their journey forward in a way that is practical and very clear with explanations as to the reasons his suggestions should function. It's bound to obtain me out of any rut There is myself in.
