Do yourself a favour and read this small book with an enormous message. It's hard to put into words the feelings this book will invoke for the reader who dares to risk living a existence with hands and center widely open. fierce.) and grab this little gem initial. Even though I'm not really a horse person, I've acquired that experience of communication with a horse once in a similar learning environment as she's at her farm. If you dare to say "Yes", watch your life change in ways you only secretly hoped possible....not over night, but one gentle nudge at a time. Quite a gem! Being truly a horse person myself I was excited to learn . Mindy proves that "volumes" could be shared in a small, yet concise, package. Even a cursory purview will cause you to prevent and be truly curious perhaps for the very first time. Go by the volumes of self-help books out there (who has time to read them anyway? This reserve pushed me to a deeper spiritual and loving understanding of how to deal with the world around me." Horses add an aspect of magnificence and transformation alive.The author has placed into words emotions that I've felt for many years but could by no means put my finger on what to call them.to put it simply! I expected to benefit from the reserve (and I did! The very first time you will love Mindy's encounters and astute observations, which are relevant to anyone, whether they will ever muck a stall. The next time you will need to read more gradually, taking the time to take into account and work through the thought-provoking questions at the end of each chapter. Read This Twice You'll want to read this magnificent book twice.) but I am amazed and delighted by the new insights it has provided me about myself. This publication isn't just inspiration - it is 100 % pure transformation and a great publication to examine if you want to improve yourself as well as your life! I came across the mindfulness meditation and spiritual concepts expressed in the reserve extremely useful in lifestyle. To put it simply, From Muck to Magnificence gives profound lessons. I would highly recommend it for the reader at a crossroads in his/her life or for someone who is looking for affirmation and encouragement to follow one's desired path. "I must say i enjoyed and identified with so much of what Mindy expressed ... "I really enjoyed and identified with so a lot of what Mindy expressed in her book. Mindy has challenged me to take the time to discover my "true self", end up being kind to her and give her the space to live out her dreams with no reservations. "From Muck to Magnificence" is probably created from one of the most unique perspectives I could ever possess imagined. It's a quick, easy and uplifting go through with plenty of references to move deeper, should you therefore choose to. Highly recommended for everyone who's looking for a path.. This was a great, easy read with some thought-provoking exercises. Anyone who's ever mucked a stall will be able to relate. Even those who haven't will be motivated by the invitation to linger more and hurry less. The tale of Connor actually touched my heart, as did the tales of people getting together with the horses. They are incredible healers and deserve to end up being recognized because of their contribution to humanity. I look forward to seeing another volume out of this author as her journey to magnificence continues. Do yourself an enormous favor and save lots of time... Delightful, insightful, captivating, well-written.. This quick read is easy yet profound. What a wonderful way to look at life What a wonderful way to look at life. Positive and refreshing and certainly makes you believe!!This book puts fun and perspective into looking at our lives.SLSH AMAZING Can't wait to use a few of Mindy's knowledge in myself AND my horses !!! Amazing READ for anybody !" The author's writing and encounters are compassionate and non-judgmental, as she assists others in transforming their lives in and outside the barn. Review of the publication. And her method of taking the experience of mucking equine stalls (how to overcome the mundane chores, choose, lift and sift, remove and let go) and relating all of that to how we might re-live our lives is usually excellent. The way the author weaves true to life

experiences into spiritual principles with horses, of all animals! Her words are soothing and by the end of the reserve it's almost as if you are a close personal friend! I can recommend this publication to everybody who is on a journey. Not Only Inspiration - PURE Transformation! This 82 page book filled up with insight and wisdom made . I have been to the Resonant Horse farm, which is the most wonderful place.. This 82 page book filled up with insight and wisdom made me want to muck stalls! Hardly ever a horsey person, I right now want to get to know the 1,250 pound animal, who might help humans find "clarity, freedom and power.! When we figure out how to trust the horse, we trust our truest selves. Actually I think I possibly could recommend this book to anybody! Life lessons which come from horses and human beings! The questions in this reserve have the energy to change your life while you learn from the authors' reference to horses. A Truly Magnificent Book From Muck to Magnificence is quite insightful and spiritually enlightening. Small but mighty! One of my takeaways from this book is that it is Okay to feel the pain just don't stay there in it ! The author has huge grace and explains how living life in a loving and accepting manner is very important in today's stress filled world. Some rates are highlighted and pet eared in my own copy! A book that beckons.. Mindy's book has influenced me to live even more & even more with an open up heart, regardless of what. Being a horse person myself I was excited to learn this curious small book. I function in the same sector (Equine Facilitated Learning and Equine Facilitated Psychotherapy). The worthiness of this reserve goes beyond a "good examine" because Mindy facilitates your trip from your own muck to magnificence with articulate thought provoking questions after every chapter. Thank you, Mindy! A wonderful book on the subject of life and growth! A wonderful book on the subject of life and growth! Down to earth with depth and spirit. Her love for folks and horses is deep & Mindy has captured so much that horses can offer when it comes to life lessons, link with others and skills we can build to lead fulfilling lives. Thanks Mindy because of this book!
