## Healing Virtues: Transforming Your Practice Through the Animal Reiki Practitioner Code of Ethics

[continue reading](#)

Kathleen Prasad, president and co-founder of the Shelter Pet Reiki Association (SARA), the world's only Reiki association devoted to rescued animals and their caregivers, brings us Recovery Virtues, the first book of its kind predicated on her Animal Reiki Practitioner Code of Ethics. Following a ethics in this book will provide you with the foundation you should create long-enduring, positive human relationships with pets and their caregivers, in addition to animal professionals and businesses in your community. Because of overpowering demand, Kathleen has created this must-possess, in-depth book as the gold regular for a successful and abundant animal Reiki practice. A decade ago, Kathleen Prasad produced this Code of Ethics, which includes since been utilized and shared by a large number of Reiki practitioners world-wide. Because ethical practice is the most important obligation of an animal Reiki practitioner, this book should be needed reading for all Reiki practitioners dealing with animals.

Essential for all animal Reiki practitioners Kathleen Prasad is the president and co-founder of the Shelter Animal Reiki Association (SARA). Healing Virtues provides a base for building upon. I've read her book "Reiki for Dogs", therefore i knew the fundamentals of her Pet Reiki Practitioner Code of Ethics but wanted to know more. Kathleen put this code together ten years ago and Expenses uses it in his teaching of Reiki. A Beautifully Written Well Executed Reserve on the Animal Reiki Code of Ethics First of all, i want to say that I was given Healing Virtues e-book to learn and give a genuine review, and so I shall. Merely trust Reiki to do what's required. This book a lot more than pleased that desire. He teaches his college students about asking the pet for permission when providing Reiki, which is certainly something I've been carrying out but didn't have a complete knowledge of it because so many of the classes I required were devoted to dealing with humans. Prasad developed a decade ago. With humans we make use of our hands to transfer the energy. With pets, it's even more of a deeper heart to center connection. She also reinforced Expenses's teaching that we shouldn't strategy Reiki with the theory that we have to fix something that's wrong with the pet or heal it but rather just "Be" Reiki and talk about the Reiki space with the pet. My Reiki instructor is Bill Stevens, who is a past student of Kathleen Prasad's. Kathleen also includes many detailed, step-by-stage Reiki meditations that are just beautiful and that We'm looking forward to incorporating in my practice. It is a reserve of recovery and spiritual advancement in and of itself. Most strongly suggested for all pet Reiki practitioners. Her approach to animal Reiki and outlining the Code of Ethics underscores the need to keep the concentrate on the pet. I actually've been practicing Reiki since the summer and it's been a significant spiritual journey. I am a Shindiden Level III Pet Reiki Practitioner from Kathleen Prasad's Animal Reiki Supply Academy and also have taken many of her classes. This book is a sure fit for my library! I understand I'm going to make reference to this book again and again as a I strive to learn to integrate the Reiki concepts into my everyday lifestyle, not just when I'm practicing Reiki. Thank you Kathleen. I believe this book ought to be a given for anyone working with animals professionally, we are able to all benefit from her writing regardless of what modalities we share in the pet care community. Thank you, Kathleen, for another great book. And also how exactly we connect center to heart and just uses our hands if the pet motions us to take action. This book was given to me by the author in return for an honest review. I have an Animal Reiki I certification with someone regional. But because of her deep dive into the reasons behind including each aspect in the Code of Ethics, we are reminded that people need to change our approach when performing Reiki with animals. Furthermore, Prasad reminds us of our obligations and obligations as ethical Reiki practitioners in our society, with the pet and with the animal's human. I highly recommend it to anyone on the

Reiki journey, no matter just starting out or a Reiki Get better at. I am only a yr into my Reiki trip, but my intent is definitely to focus on healing animals, so this book is crucial for me, one that will be study and over and utilized as a reference. A must-read for animal and human being Reiki practitioners and teachers. This book elaborates on the pet Reiki Practitioner Code of Ethics that Ms. Kathleen does a beautiful in-depth job of explaining the difference between supplying Reiki to human beings and giving it to animals. The code is broken down into sections that consist of: purpose and guiding concepts, self-practice, dealing with animals, working with human being companions, and employed in the city. Each section includes a number of bullet factors, and Ms. Meditation Reiki I like Kathleen's method of animal Reiki heart to heart. After scanning this book, I obtained a When she transitioned to Hough I did have a signed discharge from the meeting deeper understanding of the Code of Ethics as it relates to pets and their human being companions. Should you have by no means studied animal Reiki, you will learn that the approach to human and pet Reiki are not the same. ESSENTIAL for animal lovers interested in reiki Kathleen heartfully and artfully outlines the ethics of practicing reiki with pets.. If you're an animal Reiki instructor, this book is an invaluable tool to share with your students to reinforce the importance of a Code of Ethics in relation to animal Reiki. I recommend this book. She really brings the pet Reiki Code of Ethics to life through her stories and meditations in this publication. .. If you are an pet Reiki practitioner, this reserve is an extremely good overview of the importance of making a heart-to-heart connection with pets, through creating the Reiki space in meditation. This book is a sure fit for my library! I am thrilled to offer my sincerest endorsement for "Healing Virtues". Kathleen's books possess a resonation almost all their own and this one is certainly particularly timely. I have met individuals who want for more information about Pet Reiki and supplying a reserve on our code of ethics helps to concentrate our intentions that much more on what the animals are trying to reveal as we partner with their recovery. Being focussed and non-ego driven is certainly what drives me as a practioner towards a loving and stronger Reiki flow since it comes from the center. I look forward to using this book as an instrument for guidance and path while deepening my Reiki Animal practise. Kathleen writes exceptionally well and I am hoping that she'll always continue to do so, in order that we in turn can study from her gems of wisdom as we progress spreading the healing energy to our beloved clients.. Prasad provides detailed accounts of the entire section of the code, including stories in some instances, and great meditations. There are distinctions between working with people and dealing with animals, and it could be tempting to treat the two the same. The explanations because of their purpose is clearly and simply stated. She explains the way the animal may indeed move around and it's ok. An Important Read, No Matter Where

You Are ON YOUR OWN Reiki Journey In this book, Kathleen Prasad outlines probably the most important precepts an animal Reiki practitioner can find out. This is very helpful information. Combined with the many meditations she provides us, this reserve is more than worth the amount of money. She demonstrates how to bring these Codes of Ethics into our animal methods with a deep and apparent understanding of not only what Animal Reiki is certainly, but how to work with animals that is respectful and that brings honor and dignity to the pet and their people. You'll also learn the importance of supporting the human-animal relationship. Kathleen is an excellent writer and teacher and healer That is by far the very best book I've read I've every book of Kathleen and strongly suggested her classes and workshops I attentional just wanted to learn about animal Reiki for research paper and got so associated with her 3 workshops I now practice animal and with children Reiki Five Stars liked it all - easy go through, easy to follow - clear and honest writing. excellent Healing This is a very interesting book, I've just started to read. Timeless Reference and Information for All Many thanks, Kathleen, for composing a book which has not only the info about Reiki however the why and think about Reiki. The content presented was related in a obvious, concise method and was relevant to the Cod of Ethics to which it was attached. So, I thank you for a book which has structure and builds upon itself and the precepts rather than those that support the same information I can find anywhere on the web. The meditations provided are as meaningful and helpful to the practitioner because they are to the recipient. I like Kathleen's method far better. That Reiki association may be the only one of its kind and is definitely dedicated to rescued pets and their caretakers. I'm going to be recommending it to students and fellow practitioners and/or teachers. Clear and concise details with personal insight and assistance. I have read almost all of Kathleen Prasad's books. I really believe this is my favorite! Even though a number of the information was redundant having been talked about in earlier books, I enjoyed getting the review. Having been a Reiki Grasp Practitioner/Teacher (people and animals) since 2008, I've read my talk about of books and attended classes where the information is handed out with the expectation that the pupil will understand it in every its depth and expansiveness from the morsels offered. This is an excellent book for animal reiki practitioners, as well as those like me who practice as a volunteer within an animal shelter. My favorite parts were where she explained hos to describe reiki to those not really acquainted with reiki. This helped me a great deal! Another wonderful work simply by Kathleen Another wonderful work by Kathleen. A Must-Read for animal reiki practitioners! Excellent read for all those who use animals or who wish to work with animals. The Code Of Ethics are a common sense approach to dealing with all pets. Brilliantly written and complete with meditations. I am extremely thankful that Kathleen proceeds to share her insight and wisdom with

all.
