Captain Waffello is a hero like zero additional. Staying focused! This book provides a positive and humorous message about self-acceptance and overcoming problems which makes this fun, goofy, action-packed tale relatable to all or any kids, but in particular to those with ADHD/ADD or very similar challenges. The biggest challenge he'll face? He's distractible, very silly, and determined to save the globe from ... burnt toast? With the help of his aspect kick, Sir Rup, Captain Waffello sets out on an epic experience to foil Toasty the Terrible's evil plot.
