Gorgeous hand drawn images throughout. This book has beautiful hand drawn art, there are portraits and animals and some gems. Jennifer is an amazing artist and I really like all her work. You can find her on you tube where she has tutorials on colouring gems, pores and skin etc which are really easy to follow. Her last publication The Secrets of coloring gets the most amazing techniques in it using different mediums and it'll assist you to with colouring most of the pages in this book and many other books you may have in your collection. The paper is certainly create space paper but don't let that place you off, she offers you written authorization to copy the pages onto whatever media fits you as lengthy as it is for personal make use of so that you can use whatever you like.? Bella Futura Coloring Book I am a grown-up colorist/artist. You also get a second copy of all the pages in the book but place onto a dark background for those that prefer it. Five Stars Drawings were great want to color in this book This is a lovely book! Jennifer has often offered the second set of webpages in every her books at no extra price although this is the first one she's adapted to black backgrounds for that second arranged. Don't pass this publication by, it is worth it and I feel a must have for all colourists.. The last half of the publication is definitely a duplicate of the initial 25 pictures but with striking black backgrounds! The images are clear and not too detailed so great for all age groups and colouring skill levels however, not too basic so they are boring to color. Great pics, thin pages I really like the pictures but the pages are a small thin. Each page is an adventure with beauty and fauna! Jennifer has done it again and created one irresistible coloring publication. A stunning assortment of beautiful, hand-drawn images A stunning collection of beautiful, hand-drawn images to delight colourists. Some of the women possess pets in them some pets by itself fox, deer,eagle,etc. Animals, gems, beautifully drawn women. Gorgeous coloring book filled with strong, beautiful women (and some animals)! This is an excellent book filled with strong, gorgeous women to color. It has a futuristic experience, with various different types types of women, plus a few pets and birds. You will not be disappointed.! I really like this book! Bella Futura nice book , filled up with pages of beautiful women picture styles. I purchased the reserve because I loved the publication cover.! Virtually the whole book is great. How can you not enjoy this book How will you not enjoy this reserve?I have submitted a WIP (function happening), of a full page from this book I am currently working on! I find pencils the very best to use on this kind of paper. I am loving this book! I am a self-taught artist, and this book is amazing practice on learning how exactly to color hair, gems, skin and animals. Some pictures have white back grounds and others are dark. Test it out for! I love this book,just as much as others of hers I've purchased! Once I received the book was glad I purchased.! It is even more of a line artwork book but there are also pages with black backgrounds for individuals who prefer to make their colored paged 'pop'!! A fantasy publication of woman, nicely done This book includes a lot of beautiful exotic faces of woman with various outfits from around the globe that you can get into coloring and blending and shading . That is a real problem to make them more gorgeous with color. Whether you are qualified or a beginner, I highly recommend this gorgeous book! A little bit futuristic but not over the top. Thank you Ms. Coloring book I colored the pic on the cover first and it arrived pretty good. Great art in this book Beautiful work and good quality I love the pictures in this publication and can't wait around to start coloring them! Not worth it Paper was poor and the faces were not drawn well. I opened this publication and didn't even color in it. This book is great for both beginners and advanced colorists. great art work This is an excellent book! I continue being surprised by Jennifer Zimmermann's talent and she doesn't disappoint with this fabulous reserve! What an amazing bonus to get for no extra price. There aren't enough complimentary words to ... This is a lovely book! There aren't enough complimentary phrases to describe it. I recommend and I have considered buying another so I have one to color and one to look at!! That is a fantasy book of beautiful female. Zimmerman! Nice coloring book Nice coloring book
