

THE CLOISONNÉ HEART

A Memoir of Love

*When life and marriage are fragmented by Alzheimer's,
strength can flourish, as the broken pieces of our hearts
are remolded into a beautiful mosaic by the hand of God*

Cherish every single moment with those you like... Thanks Maggie for being real! A Cloissone Heart, is filled with poignancy, humor, unrelenting love on her behalf Alzheimer's stricken husband, Carl, and her deep faith in God. A must read So easy to tell this is written with love from a caregiver of her later husband. I could discover him in my mind with the "Carlisms". Margaret (Maggie) Honnold, has written an exquisitely captivating masterpiece! Reading this book in addition has made me realize just how important it really is to cherish every instant you have with family members because you just never know when "you will come out your front side door and your very existence change forever". Thank you Maggie for letting us share in this trip with you. I look forward to reading your next publication and seeing where God has lead you these past few years. Many thanks for sharing the photo of Carl. He was a classic fantastic, caring and generous guy, and I was blessed to possess known him. An exquisitely captivating masterpiece! While I pray that I never have to endure or witness this dreaded disease in my loved ones, I believe this book will help therefore many who are facing an unknowing future as an Alzheimer's caregiver and that there is no right or wrong way to deal. I could not end reading and completed it within a day. Feeling blessed I got to browse this. Margaret has blessed the world by posting her and Carl's tale. Many a tear poured down my cheeks, and her humor produced me laugh aloud. She is a beautiful talented writer who writes her and Carl's tale with meticulous detailed remembrances that have created the essence of the real meaning of love, commitment, strength and perseverance in fulfilling her role as a loving wife and devoted caregiver. Fantastic Book. Have the Kleenex handy. Many of us have lost a grandparent to Alzheimer's, or perhaps a mother or father. Maggie describes what it really is like to lose a beloved partner to the horrific disease. It is extremely well written. I had it examine in two evenings. It really is heart breaking..! Sometimes I laughed. There are also great tips to the caregiver of a loved one with Alzheimer's. We all know a person who is or has been affected. I can't wait to learn this book!! And I will update my critique with further thoughts once I've read this long awaited and anticipated book! There is existence after Alzheimer's, and I cannot wait to read Maggie's next book! Such a gifted writer! Maggie radiates warmth and caring while she tells her story of life beyond Alzheimer's. This condition or disease has no boundaries or certain class of people. I am concerned that her book might bring back some of the sad instances from my own trip. And it did. Nonetheless it drew me through those occasions and reminded me that I was anchored by love and surrounded by support, even though I failed to see it at the time. It's a book that I know will help many who are on this journey right now, or who have been there, or who are walking alongside friends who are. Till Death Carry out Your Part Therefore many tears and laughter as well as I walked in Maggie and Carl's world filled with love and heartache most in one. I cried.. Such a true and at times a gutwrenching accounts of such a terrible disease! This publication will show you, not only the human type of what we call love, but the Godly form as well.! And I cried. Emotionally Intelligent book This book is well written, with an excellent balance of sharing a mature faith, helpful insights and advice for caregivers who are in very hard life situations, and personal processing of the author's experience. ***A MUST READ*** Whether you have a person with Alzheimer's / dementia today or not that is an amazing browse! I have followed Maggie through this trip and read her many Facebook postings and blog page entries along the way, therefore I already know she actually is a gifted article writer with such a powerful story to tell. Awesome This is so touching and brings a new outlook of what wives/husbands significant others, etc really go through with someone which has Alzheimer's. I met Maggie as a fellow traveler in the Alzheimer street where we shared encounters and drew power from our online support group. Wow!! You wrote it and wrote it well! ? Five Stars A beautiful book which will touch your heart and open your eyes to the heartache of dementia. And God speed as you continue to follow his path for your life. The reading of the book came about at a time in my own life when I needed to know very well what real love was. Gorgeous, heartfelt writing, can't wait her next book! I LOVED this, "I cannot put it down" sort of a publication. I'm better

for reading it! God bless you! Thanks Maggy! Incredible love story! A beautiful, enchanting A beautiful, enchanting, well written love story, with an in depth, honest, sincere testimony of the trials and heartbreak of Alzheimer's. Many thanks Ms. Cloisonne' Heart can help the caregiver to understand that the feelings they feel are normal and real. 1 day I might have someone close to me develop this debilitating disease of the mind, with the help and insight of this book I will be better outfitted. I was blessed to know Carl (and Maggie) and was so touched by this book. Honnold for your incredible courage and willingness to help others through this disease. A must read for family members and caregivers of the awful disease. Truly a love memoir Margaret 's memoir is moving and poignant, showing her deep love for her spouse Carl and the deep discomfort of slowly losing him. Written with great sensitivity and, sometimes, humour, the memoir is certainly beautiful.
