FOREWORD BY MICHAEL LEWIS

Michael Kinsley

Old Age: A Beginner's Guide

[continue reading](#)

Vanity Fair columnist Michael Kinsley escorts his fellow Boomers through the entranceway marked "Exit." The notorious baby boomers— " he writes. Today they are asking: What was This surprisingly cheerful book is at once a brand new assessment of a generation and a frequently funny account of 1 man'about? Was it about acquiring things or changing the globe? Parkinson' Or may be the only thing that counts after you're gone the status you leave at the rear of? In this group of essays, Michael Kinsley uses his own battle with Parkinson's disease to unearth answers to questions we are all sometime forced to confront. he writes, "Sometimes," "Personally i think such as a scout from my era, sent out ahead to experience in my fifties what even the healthiest Boomers are going to experience within their sixties, seventies, or eighties." that s disease has fulfilled that obligation. "The least misfortune can do to create up for itself is usually to be interesting," are approaching the finish and needs to plan their last moves in the game of life. the biggest age cohort in history— Was it about keeping all your marbles?s trip toward the finish line."
