My textbook for esthetics from 1998 was a lot more precise .. Great book This book is super detailed and helpful! A must-have for all estheticians and esthetician college students. This reserve has some updated/contemporary day info, but on the whole I was not impressed. If this is exactly what they are sending today's estheticians out into the field with, yikes!. My textbook for esthetics from 1998 was way more precise, obvious and informative. I definitely recommend it. Five Stars wonderful Four Stars Excellent book Best price I've found Utilize this for school. Great book. It should be on the bookshelf of each skin care practitioner. Five Stars great info! Best price I've found. Advanced Esthetics Book Great resource for your skin care therapist who would like to stay current in technology and treatments. Just what I needed Exactly what I needed
