This Review book needs an editorial review I purchased this book as a study instruction for the NIC check.!! I came across several grammatical, spelling, response key errors (i.e.!! Helps study Very handy with regards to taking tests.I contacted Milady's and it took them almost a week to respond adequately. They explained they would "make a note of the corrections on our internet site and log our systems so that whenever a reprint of the reserve happens, the correction will be made."In the event that you purchase this book, make sure it's the current reprint or get ready for some serious fact checking. Achievement with this Review book This book helped me to pass the Written Exam.!! All pages written from inside cover page to the last web page. Worth it! Workbook of Horror ! Completely dissatisfied.. That is a much improved edition of what I found in esthetics school back in 2003. I felt just a little out dated and wished to reintroduce myself to knowledge that I had long forgotten. There is so much info out there... if you dont use it, you lose it. So this got me thrilled again and helped me find fresh words to reintroduce skin care to my clients. Purchase this and the workbook. You will be glad you did.!! Need help passing state licensing exam? This was an excellent book to assist you prepare for state licensing exam. Highly recommended. This is going to be useful for quite some time to come. Test Review for Milady Standard Esthetics: Fundamentals Well written and easy to use. Follows together with the textbook. Exam Review Book Ideal for giving yourself practice tests to prep for Esthetics examination. Great for passing examinations! Worthless for the price that the seller asked for. also with my lab tests in class. I highly recommend this! Gotta be one stage ahead. Good book There are several typos and its own slightly dated but the overall information required for state board exists a d just what I necessary for school and the final exam.!! Using this alone to study, I passed the written portion in CO. Helped me tremendously on passing my state panel exam & I'll not recommended this seller. drastically wrong answers to queries) and inaccurate information throughout the Exam Review reserve.!! I answered all queries in the entire book once and followed up on chapters that needed even more attention.. I wouldn't paid \$20 for an used workbook that's all written ! Good Good Sold as fresh but cover says different The workbook is pretty take down. I would return it but I really require it. This made studying all the more challenging and frustrating. Estudiando con milady Sera de mucha utilidad !! I've been an authorized Esthetician for over 7 years but, relocated to a different state requiring me to consider an additional exam.!! Me encanta One Star Didn't have a unitary question from this book on my State Board Test. Purchased for school Good book
