The Examination Review for Milady Standard Esthetics: Fundamentals contains chapter-by-chapter questions in multiple-choice format to greatly help students prepare for their state board exams. The queries themselves are exclusive to the supplement. The answer essential behind the book allows students to check on accuracy and identify fragile areas. The Test Review has been updated to complement the contents of Milady Regular Esthetics: Fundamentals, 11e.

This Review book needs an editorial review I purchased this book as a study instruction for the NIC test. Estudiando con milady Es de mucha utilidad !I came across several grammatical, spelling, answer key errors (i.e. Worth it! I actually contacted Milady's and it took them almost a week to respond adequately. This produced studying even more challenging and frustrating.!"In the event that you purchase this publication, make sure it is the current reprint or incomparable some serious reality checking. Achievement with this Review book This book helped me to pass the Written Exam. I answered all queries in the entire book once and then followed through to chapters that needed more attention. Using this only to study, I passed the created portion in CO. drastically wrong answers to questions) and inaccurate information throughout the Exam Review book. Gotta be one stage ahead.. Ideal for passing exams! This is a much improved edition of what I used in esthetics school back 2003. I felt a little out dated and wanted to reintroduce myself to understanding that I had longer forgotten. There is indeed much info out there. Purchase this and the workbook..! Which means this got me excited again and helped me find fresh words to reintroduce skincare to my clients.. You'll be happy you did. Me encanta One Star Didn't have a unitary question from this book on my State Board Test. Need help passing state licensing exam? This was a great book to assist you prepare for state licensing exam. Helped me tremendously on passing my state plank exam & Exam Review Book Great for giving yourself practice tests to prep for Esthetics test. Test Review for Milady Standard Esthetics: Fundamentals Well written and simple to use. Follows along with the textbook. Purchased for school Good book. Strongly suggested.! I highly recommend this! Workbook of Horror ! also with my exams in class.! All webpages written from inside cover web page to the last web page. Worthless for the price that the seller asked for. I'd come back it but I must say i need it.!!! Completely dissatisfied. I will not recommended this seller. Good Good Sold as brand-new but cover says different The workbook is pretty take down. I would'nt paid \$20 for an utilized workbook that's all created ! Helps study Very handy with regards to taking tests. I am an authorized Esthetician for over 7 years but, transferred to a different condition requiring me to take yet another exam.! They told me they would "take note of the corrections on our internet site and log our systems in order that whenever a reprint of the publication occurs, the correction will be produced. if you dont use it, you lose it. Good book There are some typos and its slightly dated but the overall information required for state board is present a d just what I necessary for school and the ultimate exam. This is going to be useful for many years to come.
