This spiral full-color supplement to Milady Standard Esthetics: Advanced may be used in conjunction with the textbook or alone to brush up on key procedures. Each step is clearly explained and is definitely accompanied by full-color photos. The Step-By-Step Methods has been up to date to complement the contents of Milady Standard Esthetics: Advanced, 2e. By the end of every chapter you will see a rubric, to notice, organize and interpret data collected from observations of college student or professional performance.

Three Stars Simple protocolos Five Stars book about beauty, what else to state :) Great book Very detailed and helpful. I certainly recommend it! Five Stars wonderful Okay, but expected a bit more There's some great techniques I can use from this book.! Excellent addition to your esthetics study Clear pictured step by step instructions, would recommend. But it's still an excellent guide. Very inform! Four Stars Was everything I was hoping it could be Five Stars Extensive, clear and consice. Others actually apply to massage therapists. The book is a very details of each procedure of the procedure. It explain very well. Recommend to newly esthetic to review!!
