

A woman with long brown hair is shown from the chest down, wearing a black, draped, sleeveless dress. Her right hand is placed on her hip, showcasing her red-painted fingernails. The background is a solid, muted blue-grey color. The text 'MILADY' is written in large, white, sans-serif capital letters across the top of the image, with a registered trademark symbol (®) to its right. Below 'MILADY', the word 'STANDARD' is written in a smaller, white, sans-serif font. At the bottom of the image, the words 'NAIL TECHNOLOGY' are written in a large, white, sans-serif font, similar in style to 'MILADY'.

Milady Standard Nail Technology, 7th Edition is filled with fresh and updated details on several important topics including infection control, manicuring, pedicuring, chemistry, UV gels, and the salon business. Also included, is normally a fresh "Why Study? Completely new procedural picture taking enhances step-by-step guidelines." section at the beginning of each chapter, outlining the importance of understanding the principles presented. This latest edition of Milady Standard Nail Technology gives the aspiring nail specialist the tools they need to launch themselves right into a rewarding and successful profession. Chapter objectives are also revised to provide measureable, outcomes-centered goals that can afterwards be assessed using the end-of-chapter review questions.

If you would like to Move the State Board Exam, then You Need this BOOK
If you want to move the State Board Examination and you are assessment
through "vendor": PSI as their testing proctor then YOU NEED THIS BOOK!.
Great recommend! But often get the newer version of this book When there
is one. Because if your state can be using the "vendor": PSI for their
testing services, then all you need is this book. It really is all you
will require. Good purchase. I love the layout of the reserve and right
from the 1st chapter there are so a lot of things We didn't know! Do not
waste your cash on the Milady "Test Review" booklet. Good materials for
state board exam Good material for state board test. I passed Ohio exam
after scanning this book. Practice along with the Test Review
publication and you will pass. Neutral – Useful Information – Many
Gramatical Errors Need it to get through Nail Technicians School and
State Boards.Updated information on current designs and products used in
the industry.Gramatical errors throw me off at times so I have to revise
the written text mentally. I love the layout of the book and from the .
Love this book! It is exactly what I needed for my university nail
system. I would recommend this book. I would recommend this book I
received this book within an acceptable time frame. I simply passed the
written/Theory portion of this exam (high score too) simply reading and
re-reading this book.. So it ought to be good through 2018 - 2020. You
will thoroughly enjoy learning out of this book ? Five Stars Thorough
curriculum - a little dry at times but well written Two thumbs up! I is
as described. So much information and fantastic step-by-step color
photos. Recommend this reserve to anyone that comes with an interest in
learning to be a nail specialist. Also, the delivery was crazy fast. Got
my publication in two days :) Five Stars Super Excellent Is fantastic a
book and the seller is great Two Stars Bought it brand new but when it
emerged it looks used . Remember, I took the test in Fall of 2017.
Perfect condition.
