Doesn't meet up with New Hampshire requirements Doesn't meet New Hampshire requirements  
Wrong answers Good materials for state board exam! That is bad. Check with the book to ensure. I love it. The reserve provides where you can find the answers in the textbook Five Stars  
I really like this content. It is throughout. Five Stars Thorough curriculum - using this as knowledge test for homeschool class Helpful The book is helpful if your taking exams in your school. Milady's actually dropped the ball in proofreading before sending it to be published. Beware! Unfortunately this book has problems. This booklet is meant to be a supplementary source for the state board exam; It really is a shame because I really trusted it as a study guide. Quite disappointing. However, there are Too many incorrect answers in the answer sheets. Please proofread your examination reviews. Not all of the answers are correct. however, there are incorrect answers in the booklet. That's bad. Needed for school! Necessary for school and this did the trick Great investment Loved this book!! I passed the Ohio test after practice with this reserve along with the other book. It's really helpful Book contains many errors Workbook contains many errors. Helped me to pass my state boards. Just want I needed I'm very pleased with this item, it is exactly what I planned to receive. Thanks You're learn so many thing you never though this book had.! Incorrect answers and mistakes!
