Milady Regular Nail Technology, 7th Edition is packed with new and updated information on a number of important topics including infection control, manicuring, pedicuring, chemistry, UV gels, and the salon business. Chapter objectives are also revised to supply measureable, outcomes-based goals that can later be assessed using the end-of-chapter review queries. Also included, is usually a fresh "Why Study? This most recent edition of Milady Standard Nail Technology provides aspiring nail specialist the tools they need to launch themselves right into a rewarding and successful career. Brand new procedural photography enhances step-by-step guidelines." section at the beginning of each chapter, outlining the importance of understanding the principles presented.
