Milady has evolved for more than 85 years to become what it really is today, the cornerstone of beauty and wellness education. Milady Standard Cosmetology will still be a source of education that learners can count on, not merely while in school, but throughout their careers. The result is an excellent new design with over 750 brand-new photos and a striking layout, providing a visually amazing resource to engage today's learner. For the new edition, superstar stylist Ted Gibson offered as Creative Director on the task. For decades since our first textbook published, it's been our commitment to supply students with the building blocks in the concepts and skills had a need to master the technology and art of cosmetology, and with this latest version that commitment has not waivered. We also recruited a team of twelve authors, made up of top professionals and educators in the market, to provide the most up to date information on ideas and methods. During our considerable peer review and advancement process, we had been asked for a reference that placed emphasis on essential content necessary for licensure success, and we feel confident that people delivered. We have become thrilled and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education.

Perfect resource for Cosmetology Exam prep This is the perfect textbook with thorough and clear explanations of each component necessary to pass a State Plank exam for Cosmetology. Nevertheless, this content is easy to learn and understand and the explanations are straight-foward Very helpful Very helpful Perfect quality ? Perfect everytime . It really is impressive and excellent.SHE PASS AND IS Today A LICENSED. The Milady books HAMMER info into your mind, and you can't ignore it if you tried. There is certainly more emphasis placed on hair slicing, styling, colouring and I was expecting the opposite!! I've aced all my lab tests in the last 5 weeks, and i certainly wouldn't possess without these amazing workbooks, so thanks!! This is seriously a great work book. Five Stars Very nice Strongly suggested cheaper then at school bookstore Five Stars Digital copy is fantastic better than the hardcopy many awesome features! A VERY PROUD MOTHER N P.A. We ORDERED THIS FOR MY DAUGHTER .. Definitely returning.TO End up being TESTED ON ... THE WORKBOOKS ARE A Need to!COSMETOLOGIST.I AM SO PROUD OF HER SHE Function VERY HARD ..AND IT ALL HAS PAID OFF ... Five Stars new book its o...BUT IT WAS ALL WORTH IT IN THE END ,... Got the publication for a better price, but if you're likely to get this textbook bundle for college, then I suggest not because I experienced to get the MindTap individually, and Amazon doesn't have any. Yes . This book is offering me my whole entire cosmetology life back again! MindTap itself was more expensive. It came in extremely good shape too!! Very up to date and more valuable details and knowledge !THANK YOU FOR BEING HERE WITH Me personally THOUGHT THIS I HAS SOME PROBLEMS.k. The book found its way to excellent condition. In terms of content The book found its way to excellent condition.With regards to content, I was expecting even more chapters about skin! Plenty of great illustrations and photos with thick enough paper to take notes in the white space of oversized margins... ? Don't buy The book had lacking, double, and ugly pages.. Got the book for a better price, but if you're likely to get this ... Brushing through to my abilities, this Amazon rental is saving my life right now!! already breaking apart after 2 months the price is crazy actually found all the books for \$50 on Facebook marketplace
