So necessary for schooling! I think you should obtain it, for sure. THIS BOOK IS INDEED HELPFUL! Its amazing! Thank You Five Stars This helped my daughter pass her Cosmetology Colorado Condition Boards Test!! The additional 2/3 result from my own enthusiasm to learn things! I got A's ALL semester, the last two semesters, and I'm certainly giving this book 1/3 of the credit for my grades. OH MY GOD!! I PURCHASED this book and studied for 3 months and i PASSED my first theory stateboard! I would recommend everyone to understand this book! Definitely obtain it, if you need more studying time. Therefore take a great part of your education and bless yourself with an extremely awesome tutor (: Its amazing!! I purchased this publication from Ashlin Wafer only to have the answers missing from chapter 1 through chapter 8! Missing pages! Actual test was like it!
