Milady Standard Barbering, 6th edition, is still the leading resource in barbering education, providing the foundational principles and techniques needed to be successful while in school, pass the licensing examination, and launch yourself right into a thriving profession. Furthermore, classic techniques have been paired with modern looks to have success both while in college and beyond to employment. Content has been up to date within each chapter with a major concentrate on the procedures, disease control, life skills and business chapters, merely to name a few. Incorporating new photography, artwork and general layout, the look and feel of this edition has been transformed, resulting in a sleek and clean style. As the only textbook that delivers an integrated set of resources to enhance the training process, this new edition continues its very long background of setting the standard in barbering education.
