Rip Off I purchased this book some time ago for just one of my college courses, unaware that it didn't come with an access code to carry out online exams for my class and now I must pay another \$100 after currently paying \$130. I'm unhappy at all since I do not have an extra \$100 laying around. Nice quality I love this book because it is cheap than others Three Stars Pages easily rip. I could've simply bought the web version for much cheaper. besides that its good size
