Imagine this: Five eminently stylish and hilariously witty gay men—Ted Allen, Kyan Douglas, Thom Filicia, Carson Kressley, and Jai Rodriguez—invade your life, assess your strengths and weaknesses, and, throughout a day, cause you to be better dressed, better groomed, better mannered, and an improved cook, living in an improved home. All of this is painless (if you don't have an extremely egregious body-hair circumstance), liberating, and downright fun. This is exactly what *Queer Vision for the Straight Guy* does every week on one of the hottest TV shows in storage, as the Fab 5—authoritative experts in food and wine, grooming, decorating, fashion, and culture— But *Queer Eye* doesn't try to make you outfit like Carson or dance like Jai; And this is what the reserve offers: the fundamental "have lengthy reaped by taking into consideration the day-to-day details that make them look better, feel better, and get more out of life. suggestions from each of the Fab 5. Similar to the show, the book focuses on easy but lasting way of life transformation—the real you. From Kyan's instructions on what often to clean your hair to Carson's explanation of why shirts will be the new ties, from Ted's approaches for ordering wine and Thom's suggestions about a better bathroom to Jai's hints on shaking hands, *Queer Eyesight for the Straight Guy* is filled up with clear, direct advice on the problems that confront every man. turn an everyman frog into an every-girl's-fantasy prince. In this reserve, the Fab 5 sets them straight (so to speak). It's about assisting you realize the very best expression of yourself—the tasks, the projects, the modest purchases, and, most important, the brand new attitudes that immediately help to make a noticeable difference. *Queer Eyes* introduces men to the rewards that women—and lots of gay men—make better" Many straight men have long felt that these subjects aren't for them. Nothing at all could possibly be sillier. it's about teaching you how to refine your own private style, without throwing away your entire closet and buying a whole new everything.

Buy it for the house, grooming and clothing style, music and disposition, and food preparation oh the cooking. Had this once and purchasing again (dropped in a move I assume). Really buying it for 2 dishes: making a real steak and roasting potatoes and vegetables. It gives great guidance on grooming, cooking, purchasing, manners, etc. Greatest steak ever and the aroma of the roasting fills the home and is so good.. great reserve from back in your day. I adored it; and my wife, guests and now grandkids love the food preparation (yes my wife said you cook therefore well your kitchen is completely not only dinner is yours; therefore now 25 years later on I must say i need this reserve for I do nothing like recipes from anyplace. Fun book Loved the show, appreciate the book. Actually had a stylist say, I under no circumstances knew that after I told her to lower my hair with its grain or flow as was said during the series. great reserve from back the day. BEst reserve for impressing the girls From fashion, to create, to grooming, to cooking, and even to socializing, this book has everything. It isn't a complete resource publication but it has plenty of of everything to get you started. I'm glad I purchased one. A gear, fun guide It is a fun read with a lot of sensible information for anyone, not only men. Of course, the sections involving clothes and grooming are men-centric, nevertheless, you don't have to be a man to understand cooking and decorating out of this reserve. set up like the Television show, with a bigger collection of hints and help than could be on a short program. I bought it for each man I know, single and married... Good design never gets old. Reasonably priced & in great condition. loved the show---publication follows the same structure. Would do business with seller again. listed. Good style never gets aged. I understand it's been a while since these guys were on the atmosphere, but this book continues to be awesome! a gift very informative and funny. Love the book. Well packaged. Queer Eyesight for the Straight Man : The Fab 5's Guide to Seeking Better,. the Fab 5 are very entertaining, and I was pleased with all the details in the book.. a great read.. Every man should personal this this book gives great advice to men plus they should read it cover to cover. Bought as gift for friend. Both I've done countless times but now forget. My sons also have a copy and my hubby refers to it every once in awhile. An absolute must have for single guys and a good reminder for individuals who are married. Fun Reading, AND you might learn something Really FUN read . Loved so much I held it for myself! The primary message is definitely they aren't going to transformation Who you are, simply make you even more presentable to the contrary sex, your coworkers, and your family... Arrived as expected & IT series never skipped funny and great tips on home style and cooking.. Queer Attention Fabulous! Like many others, I though Jai's portion of the book translated much better than his helping someone get theatre tickets on the present, etc.. Who wouldn't like this? My one negative stage is due to the binding of this publication --- about 20% of the webpages had composing that disappeared into the binding and was very hard to read w/o in fact breaking the backbone of the reserve -- poor planning to whoever do the publication layout!
