"We must all listen to Nina Garcia. It can be terrifying." -Tim Gunn, Fashion Consultant and Mentor of Project Runway Believe me-there's pressure when you're deciding what things to wear to a gathering with an iconic fashion designer or a member of the press. Sharp and genuine, her advice could make or break an clothing. With Nina with you, you can't fail." And by the time you have browse this book, you'll be able to speak the vocabulary of fashion as well, at all of the key moments you will ever have. True style is not about having a closet filled with expensive and gorgeous things-it is rather about knowing when, where, and how to utilize what you have. She shows us the parts, the components, and the strategies to create the appears that will take us from the first day on a job through the day we ask for a raise and beyond, from the first time we satisfy our boyfriend's parents (or his children) during the day we observe our own children walk down the aisle. But rather than panicking, I end, take a deep breath, and understand that I speak "style. You'll have all the guidelines you will need to navigate each day looking your very best.-from Nina Garcia's Look Book Every female, at onetime or another, has contemplated an all-important appointment, first day, formal party, or important display and wailed to herself and to her closest girlfriends, "What should I wear" In Nina Garcia's Look Book, design guru Nina Garcia solves this common quandary with an inspired and unbeatable combination of fashion knowledge and common sense.

Handy Book to Have An extremely handy, though not really small, publication to have. Readers who have read Ms. I found it helpful recently, when We had to dress for a brunch and a demonstration. Mr. I have been spending my money on education and travel. This book is indeed fun! I didn't even know where to start. Garcia covers virtually any life event you might face, from what to wear to attend a marriage, a bridal shower, a baby shower, what to wear if you are conference your significant other's family members for the very first time, what to put on in different work scenarios (presentations, job interviews, requesting a raise), and what to wear to a very formal occasion, like a black-tie gala or supper. She covers everything from skincare, makeup, hairstyle and accessories, to what you should carry in your bag, furthermore to discussing the appropriate outfit for the event. "The Little Black Publication of Style" was more of a synopsis of style and what's obtainable out there, and how exactly to create your very own look. Something that makes Ms. Garcia's "THE TINY Black Book of Design" will find some of this information in that volume, but this reserve provides more in-depth, extensive coverage. She also includes information about what's anticipated from a guest at specific occasions. This is more of a play-by-play strategy for dressing for virtually any life event you can imagine. Garcia's books stick out from the group of fashion books out there can be her choice of Ruben Toledo as illustrator. I was overdressed for the presentation (it had been for a group of university students), but strike it spot-on when I dressed for the brunch - I received many compliments and felt confident and comfortable all day long. A fun read and good illustration. A fun read and good illustration. But the majority of the info has been covered plenty of moments by others. Did not such as this and returned it. Did not such as this and returned it. I didn't use all of the information, nonetheless it did provide me an idea the place to start and how to think about my wardrobe as part of my lifestyle. Fun and Fab! Garcia's cool style of fashion prose. And a handy reference. This is a great book! It provides solved many fashion conundrums and ... This is a great book! It provides solved many style conundrums and I love her ideas about what to wear for holidays and occasions. Three Stars (: entertaining entertaining. Five Stars A GREAT fashion resource, thorough, yet SO FUN to read and enjoy! loved the illustrations Helped me begin. Great book should you have not organized your wardrobe in some time. Toledo's illustrations are vibrant and inspiring, and perfectly suit Ms. Given that I am completely situated, I realize just what a disaster my closet is. Ms. I found this reserve in the library and it had been good enough for me personally to purchase it after I read it. Ninas Best 100 things city is her absolute best book for me so far.
