Great reserve for a tween! I bought this reserve for my daughter after threatening to send her to attraction school for the summer. We practice great etiquette at home and I have always tried to reinforce it; We Need More. She is 10 almost 11. This book changed factors. As she go through, I needed her to write a summary of each one of the little chapters and a good example. Ideal for All Ages I am no longer a child but I've found this publication to be very helpful. It gives the reason for doing something and reasons for not doing things. She's a better awareness of why etiquette guidelines are what they are, and what the social norms are for confirmed situation. TEENAGERS Become Ladies... nevertheless, I couldn't appear to complete to my daughter. This book has been a great reminder of what this means to be, not just a woman, but a decent human being. But, I told her she must be a lady.. This reserve gives her what I would say, if she would listen. This invaluable in today & Very young audience I bought this book thinking dude was young adult. Gave this as a gift to a 17 year-previous niece . Talks a whole lot about manners and becoming nice with friends and also cellular phone etiquette and dealing with your parents nicely. An absolute must have book for Teen Girls My 12 year previous read this book and loved it. I read elements of it, and laughed out loud. Excellent. An extremely easy read and lots of practical advice. I would recommend all young ladies to read this reserve, or read this reserve with a parent or older mentor. easy for kids to learn and a chapter can easily .. She adores it, describing as "really sweet and very helpful. easy for children to learn and a chapter can easily be discussed throughout a supper. They have improved significantly at home. The author makes it fun to read. Best for all ages. "Very nice.. I used a few of the desk manners for . At 11, she has the sarcasm, rudeness, and spirit of all girls she views on the Disney Channel. My daughter says, "Very nice. I used a few of the table manners for venturing out to dinner. Top quality!" :) A nice resource I must say i enjoy this reserve. I plan to read through it with my daughters. I try to educate them to be mindful, but Personally i think like I usually miss something. This reserve is great because I can turn the web page to a subject and get a little refresher on everything I'd like for myself and my girls to remember. This book will be great for anyone around 7-8 years old... Ideal for my 12 year old granddaughter and I learned a thing or two, too.." Great for Tweens! Looking towards gifting this to a particular young lady in my life! Well written Bought for my granddaughter (12) she browse the whole publication in one night. The next time she came to go to she brought me an apple pie to become a good house guest! Book is excellent! really loves "assessment" me on the Rules of Etiquette! My granddaughter loved this & Great experience Thank you All Need This! It's relevant. Spot on! I recommend. bought as something special BOUGHT FOR AN ADOLESCENT Five Stars Got for granddaughter. N-I've book. age! Gave this as a gift to a 17 year-outdated niece. Impeccably written and up to date with i'm all over this advice for all facets of lifestyle, including technology.! Today, she is complimented almost everywhere we continue her manners. My parents taught me basic manners and they tried to instruct me to be kind and considerate. But I'm ashamed to admit that in my own adulthood, I have deviated from what I was trained. My girl resisted when I gave this to her, and laughed. I would recommend it to any woman/woman regardless of her age.
