Permanent Makeup: Ideas and Techniques, part of Milady's Aesthetician Series, focuses on the newest techniques and the most recent trends in permanent make-up, one of the most popular procedures in the aesthetics industry today. A section on equipment and how they relate with the procedures is included, as well as information on inks and their different pigments, organic and inorganic pigments, and the various results achieved. Permanent Make-up: Tips and Techniques is made to provide readers with comprehensive information regarding FDA and condition laws, and current studies. With photos to greatly help illustrate the methods, this book is an absolute requirement for the permanent make-up professional. This growing sector is also one of the most technique-sensitive with high demand for informed permanent makeup artists in plastic material surgeon's offices, cosmetic dermatologist's offices, and spas. Readers are also introduced to anatomy and physiology associated with permanent makeup and exercises are included to greatly help reinforce the information.

Pass the state test I found this book to really help with passing my State Broad test for Everlasting Makeup. Excellent way to obtain information for student starting out doing this support. Was a bit past due in delivery but once bringing it to the attention of Amazon they required care of it instantly and was delivered within the week. SERIOUSLY UNDERWHELMED by the information contain Was hoping because it has the "Miladay's" brand name it would actually have some useful information.i don't trust any longer!!! It has the most elementary info in it ever.I'll think 100 occasions before i purchase. Great book.you can clearly start to see the price I purchased and what the price is now. Just how to steralize things, how exactly to shape a brow, etc.You can learn all of this on Youtube Great, informative reserve for the professional permanent makeup artist. Useless sucks. Very informative. Great for professional makeup performers as a reference reserve. Good, good publication. I believe this book is crucial for the permanent make-up technician! Buy it! Informative! This book is quite informative and although it didn't give tips for the use of permanent makeup , it did give tips for the total procedure of permanent makeup and It details color theory real well. I love it.. This book is effective but the price is not. good Great Three Stars Good Five Stars great book ... the "Miladay's" brand it would already have some useful information. This book is helpful but the price is not. Writer obviously must go back to school for Permanent Makeup. SERIOUSLY UNDERWHELMED by the information contain in this reserve.
