useful advice for retirement planning I acquired this reserve because we are talking about retirement and not getting very far. I will ask her to read it because it does have some good suggestions, and offers a structure for discussion. Lots of info and areas for discussion.. I did so not think it had been profound Great counseling and guidance there is a great deal of encouraging information to think about and talk approximately and different conversatios that we would have never thought about. Great counseling and guidance. Truly liked. Would recommend. Two Stars Lots of platitudes however, not much practical help. Idea provoking and insightful. Love it. We utilize this for as customer gifts. I would like to move. It provided us a nice push to essentially start planning I browse this cover to cover and worked the queries. The prose flows efficiently but its readability relies on extensive usage of cliches.. Information was not very engaging or helpful, but perhaps could possibly be helpful to couples who also never talk with each other. Thought provoking and insightful. I go through this cover to cover and worked the queries with my spouse.. Enjoyed it. We all have to work it from our own. Begins conversations by asking questions that require answering before getting into another stage of life --- pension!!. I think it will favor solutions that are politically liberal and more suited for educated specialists. Enjoyed it. It gets you started and it makes it easier to consider retirement. The chapter on "Choosing Where and How exactly to Live" got me to think harder about the topic and enabled my wife to start to cope with this option. Love it. I was given a duplicate of the book. Four Stars Important things for couples to speak about before the time comes Information hasn't been very engaging or helpful, but perhaps ... Begins conversations by asking queries . A very helpful method to crystalize your retirement plans. A Great Resource for Financial Advisors An excellent guide for lovers and their financial advisors because they approach the next half of life. Nothing New Here Nothing new here.
