A bestselling classic, back and bigger than ever! A thrilling, enriching, and elegantly packaged revision that's a must-have for anyone who dreams! Nearly a century ago, Gustavus Hindman Miller published his groundbreaking masterwork, *10,000 Dreams Interpreted*, the most compelling and thorough study of all symbols that appear in our dreamscape. Right now, popular psychic and medium Linda Shields has updated this classic, featuring revisions and additions to more than 2,000 of his original interpretations along with 2,000 entirely new entries.
