The Butterfly Effect: How Your Life Matters

[continue reading](#)

The decisions you produce and the way you treat others have significantly more impact than you may ever realize. Andrews speaks over 100 moments a season, and The Butterfly Effect is definitely his #1 most requested story. Loudspeaker and New York Times best-selling author Andy Andrews shares a compelling and powerful story about a decision one man made over a hundred years back, and the ripple effect it's acquired on us separately, and nationwide, today. It's a tale that may inspire courage and wisdom in the decisions we make, in addition to affect the way we treat others through our life time. Also incorporated with the buy of the reserve is a link to see a 9-minute message of Andrews informing The Butterfly Effect story to a live audience.
