this book is a good resource to help you cope and deal with your .. fast provider. It had a lot of information to focus on and also comforting thoughts to think about when you are within their end stages. Thanks The product is really as described. Thanks. It also provides practical help, assistance and direction. This book was my guide through the care of my mother until she passed.) I understand the editor and he previously lost his copy . Five Stars absolutely Excellent service.. I know the editor and he previously lost his copy therefore i gifted it to him.. Plenty of Good Info This book has lots of good and helpful info you need to know when looking after your aging loved one. Tells you how to pick a nursing home and lots of other stuff. PLUS it's said in a language you can understand (layman's conditions). He was thrilled..it really breaks things straight down for you. You will use this as a reference again and again just as I did. Very helpfull information! Although I haven't finished reading it, up to now I am pleased with the practical directions, the personal "testimonials" from actual caregivers, and the extensive information regarding where to search for outside assistance (websites, phone numbers, firms, etc. I would recommend this reserve to anyone who contemplates taking care of a family loved one. If you have a parent who's in the hospital or declining in wellness quickly, this publication is a good resource to assist you cope and cope with your new normal.I would suggest this book . Thanky Focus on the Family. Five Stars excellent quality. This book has been very useful and filled with wonderful information. Four Stars Great! Good book on dealing with our aged parents Good book on coping with our aged parents. An excellent resource!.. Also great to share with the parent that's caring for the cherished one. Excellent service. Biblical, practical This book provides biblical basis for caring for aging loved ones.
