Great Book Well I must say i enjoyed this book. The book is mainly pictures which is extremely helpful but it won't give detailed instructions. I believe it's a great starter book for youthful women learning how exactly to apply makeup. I never used makeup as a young girl but my boyfriend said that it's good for me therefore he asked that I begin wearing it. Buy another book if you need detailed instructions on how to wear makeup. Even my 21-year-outdated niece wanted to borrow it. Explain with details and photos. Excellent buy. Great item for beginners Great Starter Book I bought this for my 14-year-older niece and she loved it. I came across the publication to be very useful to beginners. Great item Love this book. ... a 14 year old and she appeared to be happy with it We got it as something special for a 14 season old and she appeared to be happy with it!
