Milady's Master Educator: Student Course Book

[continue reading](#)

The first edition of Milady's Expert Educator revolutionized Teacher Trained in the field of cosmetology and changed the future of the wonder industry. The revised 2008 edition will do even more. This brand-new two-volume method of teacher development is the most extraordinary teacher-training program available today. Don't miss this opportunity to ignite that spark that made you need to become an educator to begin with or even to motivate your achievement toward your new objective as an educator in the exciting field of cosmetology! It really is an application of learning for accredited educators and student instructors alike.

This book gives good foundational information on becoming an instructor This book gives good foundational information on becoming an instructor. Book looks brand new. Like new. I'll utilize this when I begin putting my course curriculum together. As Promised The book arrived in great condition & This book can help you prepare to teach this subject. Five Stars I actually needed it for my education. It fulfilled my purpose. This would be considered a great addition to any fresh salon managers collection. Although a textbook can be lightwiegth and easy to read. Must have device. I can't wait to start out using it to get ready for my upcoming test. I have added it to my cosmetology library! Great Great, what I needed for state exam for instructor Five Stars Great Just what I needed The book was in good shape Master Educator, A Great Learning Tool Future teachers will benefit greatly with this book.
