One Star Returned, information is minimal Five Stars Great guide because of this type of treatments. Have detail and valuable information. I love it!!! Great for beginners Good information, but wish it had more info on way of handling the laser during different procedures. Certainly helpful, not sure it's worth the \$40+ I payed for it. Great for studying esthetics and skin. Thanks a lot Saved my test scores more than once! Five Stars it was just what i expected Three Stars It isn't aesthetic enough. So returning.... Five Stars Returned book it did not offer any longer information then my text book from course.it's more from a medical perspective Four Stars Good price!.. Very informative and easy to understand book!
