Exam Review for Milady's Standard Nail Technology

[continue reading](#)

A straightforward, powerful tool for the Nail Technology pupil, Milady's Standard Nail Technology, 6e Test Review contains chapter-by-chapter questions in a multiple-choice format to help students plan their state board exams. The questions themselves are unique to the supplement. The answer important behind the book allows learners to check on accuracy and identify fragile areas.

Very helpful Completely prepared me for the state board test.. It does have a few typos but nothing to bad. Five Stars Perfect Condition. love it exactly the book my school used in fact it is filled with useful information in becoming licensed. If you are going to maintain school to become nail tech. Exam review publication is great This book has all of the chapter test for the miladys standard book. In the trunk it has all of the answes for every test if you would like to check oneself. This is actually the only study information I used. something you certainly want in case you are serious about learning to be a nail tech :-) shipping was also wonderful on this product :-) Best product This product may be the best in the world I enjoy have it, I'll buy it again if I have more money. understand this book! Five Stars Great items in perfect condition! Five Stars Excellant Five Stars Great One Star Doesn't help with exam I REALLY LIKE this book I LOVE this publication, BUT..mine did not come with the answers to the questions... You can email me at ilvkts at gmail dot com. I approved the very first time... Could someone PLEASE email me the answers? Thank you.?????
