Fashion Talks: Undressing the Power of Style

[continue reading](#)

Fashion Talks is a vibrant look at the politics of everyday style. Shira Tarrant and Marjorie Jolles bring together essays that cover topics such as for example lifestyle Lolitas, Hollywood baby bumps, haute couture hijab, gender fluidity, steampunk, and stripper shoes, and engage readers with available and thoughtful analyses of real-world issues. This collection explores whether style can change the limiting boundaries of race, course, gender, and sexuality, while preventing the traps with which it attempts to rein us in.
