Fantastic I went to beauty school in the 1980s which book is a far cry from the dry sparsely illustrated text message that we had back then. Well, that may *technically* be accurate, but out in the beauty globe they are simply called "shears".Just one simple example: In my old cosmo book it said that our hair cutting shears were NOT shears, but scissors and that it had been "incorrect" to call them shears. I pointed out that this new Milady book does not bother with details that is obviously irrelevant to the industry. THANK YOU. Nonsense.It switches into detail with reducing and other methods, the photos and explanations are great. I am learning to retake my condition board test (I passed it way back when and Not long ago i allowed my license to lapse) which book will be very useful. NO HASSLE JUST A VERY EASY TRANSACTION. I would Highly recommend buying this Ebook to assist you study instead of ...! A great gift. In case you are attending cosmetology school, I would Recommend buying this Ebook to assist you study rather than carrying around the 10Lb text reserve around. SATISFIED CUSTOMER SATISFIED CUSTOMER, THE PRODUCT WAS DELIVERED NEEDLESSLY TO SAY. Other than the big bold name on the inside, it was in great shape and perfect! There are some adjustments since I was in beauty college, but I am self-confident that this book can help me to acquire the data I have to pass my state board exam again. I mean, how would it sound if you went around informing everyone that their shears were not actually shears but scissors? Lots of information I purchased this book to improve my haircutting skills for my family. Perfctet for school I bought these for school and they worked perfectly fine. my haircuts are even more professional looking. Valuable book for any degree of skills your needing to cut hair. it had been in great form and perfect I ordered the publication as necessary for a cosmetology course and opened it to have writing on the inside. WOULD PURCHASE AGAIN. Simply as I expected. It functions ! Four Stars as described Highest rated Anyone whos using this textbook along with the online equipment and additional theory workbooks etc can be obtaining the best cosmetology education anywhere! This is beautifully illustrated, photos abound, its one of the heaviest books I've ever found! A must have in the event that you own an iPad! I ordered this publication as a gift to my lady who lives about Jamaica. She's learning cosmetology and was verry happy with the book. Very happy ;) Five Stars Very good quality and you do have school everyday Five Stars i like this edition better-visually it increases results for me Five Stars Great Just what I needed Perfect to study and pass the condition exam! Five Stars Perfect condition
