Oh No She Didn't: The Top 100 Style Mistakes Women Make and How to Avoid Them

[continue reading](#)

How NOT to outfit. In *Oh No She Didn't*, Clinton highlights the a huge selection of fashion mistakes women most commonly make and demonstrates how to fix them. Muffin tops. Scrunchies. Slut sneakers. Suntan hose. Visible panty collection. Who hasn't? Fantastic shows women how to outfit themselves confidently and style as he pokes fun at style "don'ts" (gasp! one of these fashion disasters?) in fact wearing— The atrocities Clinton Kelly has seen— Tracksuits? a surprise he hasn't. Mom denim jeans? A delightful mix of hilarious dish and professional fashion advice, *Oh No She Didn't* In the same straight-talking style which has made TLC's *What Never to Wear* a smash hit for eight periods, the cheeky media personality and writer of *Freakin'* had the unfortunate connection with witnessing—t gouged out his own eyes." From the most obvious faux pas (Texas tuxedos) to borderline offenses (peekaboo boobies), Clinton presents detailed and amusing critiques of our best one hundred sartorial slip-ups. He turns his keen vision to wardrobe, color, cut, cleanliness, hairstyle, accessories, and even posture. And because he enjoys you, he presents easy alternatives and practical suggestions for creating fabulous clothes that will make you neglect you ever wore socks with clogs. re not comfortable in the sequined mini, everyone around you will know it. Because if you' Clinton also explains how exactly to use trends to your advantage at any age group, from deciding those work for you to finding out how to wear them to keep your look relevant. Fancy fingernails? t will change anyone from style victim to fashionista very quickly.

Read closely for useful tips you will not get in other books. Yes, Kelly engages in taste-shaming, and he's hyperbolic for humor's sake, BUT in the event that you go through everything he says, you will see useful tips, details, and guidelines for dressing and styling yourself. Learn, don't get hurt feelings. Some funny moments in between some very good style advice. And, yes, his language is just a little scathing, but if you don't take yourself too seriously, it will not bother you. Love Clinton's design in books and clothing. I used this product, book, for improving my closet and am savoring it immensely. I really like his style in clothes. I actually've watched his tv show and am looking forward to reading more of his books. Worth the read! Creative LAUGH ALOUD funny. He just is apparently irritated all the time. #121), it was a great read. He clearly includes a scholar's look at fabric and style. I really like him on TV and I really like his writing style.. Plenty of snark. I understand if I ever discover him anywhere, I'll not be saying hi lest I get insulted. Bless you to the bottom of my bell bottom, ass-enhancing pants! I know any of this, in the event that you don. LOVE YOU! Beverages Down This is filled with good sense blended with fashion savvy and an unexpected and brilliant love of life. I love the idea of using a tailor - something that had by no means occurred if you ask me before, except when it concerns fixing a hem, which I usually do myself. Having a person who can see the complete you instead of your preferred parts is so much better. Sometimes, I find he's more mean than funny and I really do not appreciate that but the guy knows his job. Definitely better than many other 'how to gown' books I'd read." For individuals who never saw WNTW If you value WNTW, you may want to buy this book for the pleasing snarkiness of CK's remarks and merely to bask in the knowing winks he gives to you, his fan. In the event that you seriously wonder about your possible fashion faux pas, here and there as you go out, BUY THIS BOOK. Most of the mistakes were to me good sense, but many were problems I have wondered about, and today have solutions for. Too snarky I love Clinton immensely on TV. a lot to consider There are a lot of style mistakes that I have made in my life, some I've gotten over plus some I will continue to repeat, for eg. There is good info for those that heed it. Nevertheless, you must be able to recognise yourself, and many women cannot. hmmm. Creative, smart, and witty, witty, witty. Not a fun read. I don't think any one person who reads this book is going to agree with all of the designs Kelly identifies as fashion faux pas, but you'll still get the message to take a few steps back, appearance at yourself from both sides in a complete size mirror, and think about how appropriate what you're putting on is for the event. Some readers seemed to have already been offended by this information, maybe they saw their design flaws someplace in the book. Instead of take offense, maybe learn from Clinton and improve your lifestyle OR end reading the book. It may not be for everyone. I liked the book and there makes sense advice if you choose to apply it. This reserve is even more of the same information but not as much censorship since no wimpy network is certainly involved. I've watched What Not To Wear for a long time and I have learned much from Clinton and Stacy. Clinton comes off as well vital and mean sounding.. Personally I think like he is my best bud, talking to me while assisting me, lovingly, with humor. Not really much in this reserve. I'll wear cross-trainers when I travel with my 2 sons. Heading anywhere with them is an athletic event in any case. So, take what you need and leave everything you don't wish. It's a good read. I really liked the rule of fit your most significant part and also have the tailor harmonize the others so you possess the look you needed but couldn't get without the clever tailor. Thanks Clinton, my love for your presence on this planet is immeasurable! Good advice with a whole lot of laughs along the way I loved this publication. Clinton explains every fashion mistake women make with great humor. Despite the fact that I live in the Pacific Northwest (where we wear polar fleece rather than a trench

coating for extra warmth; LAUGH ALOUD funny. I browse Clinton Kelly's book, We Hate Everyone Except You first and from then on, I HAD to learn this book. I got no idea he was so witty and funny, found myself laughing aloud several times. If you cannot laugh at yourself, it's a bummer. Yes, as some have mentioned, the humor may not resonate with all visitors, but then, I hate sitcoms, so every creative endeavor isn't meant for all audiences. 100 style errors, all with short and to the point explanations, by themselves page, made reading the reserve an enjoyment. Seriously. I'd highly recommend this reserve for all your "what not to dos" in addition to many chuckles. This (gorgeous, married to some other handsome man) man doesn't miss any fine detail on clothing, women or men. And I still plan on wearing scrunchies; # 138. Buy it used, or get a copy at the library. Well worth a few bucks! Somewhat basic book. I would not consider this value for money. Nothing very Earth shattering. This is what I needed: an (educated) male perspective on what I put on that my hubby is as well chickenshit to say! I'd not buy it. If you don. Keep up the info for the ladies and never stop caring about us.t understand any of this, avoid being wearing clothes Not Worth It Way too many crass comments on the subject of toilets, nausea, etc. He worked so hard at offending that he completely destroyed what might have been a witty and entertaining book. Finished it fairly quickly. Good Read Very casual but fun to learn. The only difficult component of this book is certainly forgiving him for (only once) using the word "fierce. A lot more practical and great information.
