I REALLY LIKE JUDITH VIORST I love JUDITH VIORST, having fallen deeply in love with her writings when We initial read her "How Did I Ever REACH Be 40 And Other Atrocities", a wonderful, fun and witty look about the transition inside our lives from refusing to acknowledge growing older to facing reality. Viorst for the great gift idea and to make me laugh even though I've turned eighty! A Winner Love Judith Viorst's poetry as she prepares just how for every passing decade. This reserve is terrific for seventy and eightysomethings! Rusti Van Rooy Unexpectedly Eighty a Funny Acknowledgment of Aging My niece and nephew gave me personally this book as a gift upon my becoming an octogenerian. that the pleasure of laughter, of looking into the face of a loved one, of hearing the tunes of birds, of watermelon and ice cream, of dipping our toes right into a pool of cool water on a sunny summer's time, enrich out lives beyond measure. JUDITH VIORST understands all this, therefore should we. Touching Bought for my mom. There's much truth to generations not really understanding those that precede them -- until you are standing within their shoes. I didn't understand all the dynamics of being in a strong love romantic relationship until I was in one, nor the pain of losing a close friend to death, nor of parenthood. The poems in this collection reach to an age I watch daily, but don't and can't understand until -- ideally -- I may reach it. That wisdom eludes me -- most of us who aren't 'there' yet. But the stories held within made my mom smile, and wistful, and perhaps touch her. This book should be made to make someone feel terrible about becoming 80. MAGNIFICENT Judith Viorst hits every insight and 80's is no different. Marvelous undertake the age I have read all her books on various years from twenties on up. I was so hoping she would make it to 80 so she would write another one (as I recently turned 80) and was thrilled to see she had managed to get also and wrote another one because of this stage.... that our families are our truest friends, our best companions; Loved the publication just for its title! Who ever believes that one day one will end up being eighty! A couple chuckles but the rest is just awful. That was a blunder. I began buying her decade-centric books with the fifties, and hope she lasts to create the century one. Thanks a lot Ms. Growing older can be an total must, unless one desires to simply give up and face the Grand Reaper at an early age. You will not feel great about being 80 I bought this publication for a friend who's turning 80. Loved the material--Judith Viorst offers entertained me for years via her magazine content and now I got this skinny, delightful publication with her wonderful method of being a extremely senior citizen. Tough to expect a whole lot from a little book.? Another perfect insight! Judith Viorst has gotten me personally thru every 10 years of my adult lifestyle. that love does last; Truly amazing! As per usual.. Great seller Great product Very clever wonderful gift book Prompt Gift Two Stars Disappointing in quality of composing and length of book. I do wish it turned out longer, but possibly the knowledge and enjoyment is definitely in the brevity, not unlike to joy one can feel not so much in the conversations however in the silence of being with another. To laugh, to cry, to ponder....it's all there! Ageless lady Gotta like Judith Viorst. Upon reading the book, I immediately ordered three more from Amazon to provide as commiserating gifts to my good friends who would become unexpectedly eighty this season. Such something special, such wisdom wrapped in good humor. Live lengthy and prosper, Judith! I really felt cheated. Boring Much less knowledge than usual.. Getting older is also amazing: We learn that the considerations of life do matter;
