Totally great book; I would recommend this book to anyone, who loves reading and searching at history in a different way. It is a great confidence booster. Wonderful collection of activities that MO offers participated in and designs for the 1st lady are well represented in this publication. Buy it ; you will not be sorry! Some Great Color Pictures!! Frankly, I wasn't interested in the tale itself. I really like Mrs. Page After Page of Practical Panache This book is both aspirational and inspirational. I was very satisfied. I wasn't so interested in the hair, nails, and make up tips, but that is part of her design, so that it was fair to include them in the book. and often beautifully poetic styles Michelle Obama has inject some glamour into our day time with these inspirational, and frequently beautifully poetic styles. She appears like me and I love that I can browse through this book and get beauty tips and know it will work on my skin tone and locks. This will continually be my go-to book. Beautiful! Beautiful! An interesting read with nice photos. Makes for an excellent gift or coffee table book. Five Stars Great advice. Commander in Chic Great book. Lots of colorful pictures and information regarding the first Lady. enjoyed the photographs I highly recommend this book to every single woman who requirements encouragement in losing fat, finding her individual style, career, self-confidence and anything else. It also gives you ideas about how to dress for success. If you're looking for a reserve that's about Michelle Obama this is simply not for you. Obama's design, and I needed to copy some of her looks. It could also make an excellent and stylish present! I'm adding it to my coffee table books on fashion. I haven't any comments, I was extremely satisfied. They provide practical answers to common questions and add bite-size beauty and existence tips. Three Stars Insufficient about MObama's outfits, even more of a system for editors to lecture visitors. But if you've admired her style and class and sought to recreate her look and/or create your own with confidence, then you'll love this reserve! It highlights the signature style of First Woman Michelle Obama while encouraging and instructing readers in creating their own look. These amazing color pictures allow me to do just that. Her "Mikki-Isms" make for a mini publication within a book. Michelle is truly a very beautiful soul I had got this book and I must say i truly enjoy it and it was more on her self love, care, her existence as a mom, wife, sister and style . Four Stars Before book; Author Mikki Taylor beautifully blends her wealth of experience in assisting others discover and display their personal beauty with great photos of the fashion forward First Lady .
