The designs are adorable and seem pretty easy to check out This was purchased for a 10 year olds birthday.right now! 3 stars only because the cover emerged with a little tear and since this was for a present it had been disappointing:(Love this reserve!! No fancy stuff required. Great photos of step-by-step instructions. It will motivate you to provide yourself the perfect manicure instead of spending a small fortune at the nail salon. Five Stars amazing book with so many designs. Great Simple Suggestions with Easy to Follow Directions Great Simple Ideas with Easy to Follow Directions. Great ideas I never thought to use acrylic paints for nail styles. Nice book for a teen girl Nice publication for a teen girl. I really like this book I really like this book. I like to go back and appearance thru it to get more and more nail art ideas. Great beginner's tool The only nail art tool used was a striped; twice, and a dotting tool.. plenty of toothpick painting. Gift for niece for Xmas. Thank goodness my girl allows me to apply and perfect on her behalf nails.. simple tools. Nail art. I really like nail art. This publication may be small, but every single design is described at length, is pretty, and looks fun to do! All finished with polish, paint, & Great instructions Art. Whether you are a beginner or an expert, you'll love this book. I borrowed this book from the library, but I've made a decision to purchase it... No peel off base, no peel from the lime around the nail; The styles are cute and seem pretty easy to follow. I would like to do all of them. It's a must for my personal library. does anyone make use of these for adults does anyone make use of these for adults She loved it. But, like I said-great beginner's publication. She loved it.
