The portraits are outstanding I stumbled upon this publication while googling something on the subject of my husband's grandmother. It had been interesting to note the geographic places of the participants. Five Stars Beautiful photography and write-ups Five Stars an inspirational book to LIVE Delightful! And she was!!! We aren't sure why she was chosen or how they proceeded to go about selecting their centenarians. So inspirational What a great reserve. The portraits really show the beauty of each person. And the wisdom that comes with age. From the portraits to the bios, this publication is delightful! We have really enjoyed studying it all. And having it end with our grandmother Evelyn Zehring becoming featured."Throughout his existence Morrie [Markoff (pp. Therefore naturally we had to get it to discover if she really was in it. Each biography gives a small snapshot into each of their lives. I came across her portrait out of this book on pinterest. The bios are full of nuggets, from thoughtful to hilarious.Kristin Kristvardsdottier (pp.I'll leave the rest so that you can discover by yourself. Five Stars Love this book thus much We am giving each family member a copy on the birthday. 68-9)] provides been an artist: a photographer, sculptor, and painter. They now live in a hipster district in LA! . . He kept his first exhibition at age 100. . . "Morrie's wife Betty is featured on another pass on. . 64-5) says "[L]ife is a college where you never stop learning.I borrowed this from the library (always my choice); but, I enjoyed it so very much that I purchased my own copy today. However the other people featured in this reserve have lived such impressive lives as well. Checked it out from the library and got to buy it.
