We watched the Gerson documentary about juicing for cancer one .. And they also tell you immediately that this is NOT an easy program. We watched the Gerson documentary about juicing for cancer one night in April 2013 when my hubby was literally dying before my eyes from colon cancer and 3 1/2 rounds of chemo. 4? 4? I scrambled to buy a juicer which took the very following day. Excellent book with a lot of great information. An Adaptable Therapy for Improved Health and Wellness Although this book deals primarily with cancer reversal therapy, I've adapted and utilized the bottom philosophy to lose weight and improve my general health. I beverage a quart of new juice and two super smoothies every day, and I've shed over 25 pounds in the first 6 weeks, Furthermore to my weight reduction success, my epidermis is no longer dried out and itchy, my vitality has increased dramatically, my disposition has improved significantly, my urine flow is more powerful, and I'm having two to three bowel movements each day..6 to 5. My doctor is surprised at the improvement I've made in 6 weeks.. That's significant for me personally because next March I'll turn 65 years old.7, and my blood pressure is right down to 110/60. As a result, he decreased my blood circulation pressure and diabetes medicines by half within my visit last week. At this specific rate, I could be from all my medicines by this time next year. It has made a huge difference within their lives and how exactly to eat healthful. It sounded relatively weird if you ask me too primarily, but once I decided to try one I became a believer; After going from one expert to another expert no doctor could help him and neither the medicines. Once I developed a procedure that was simple and easy for me to execute, the process became extremely relaxing, and today I feel better after each enema. Don't knock it until you try it. <We also like how the authors don't mince words. Got it for a member of family with ... This is a fantastic Book. Bought it for a family member with pancreatitis. Everyone should have it Great information extremely good book must read. Another facet of the Gerson Therapy is usually the concept of coffee enemas. The dr.'s said she had pancreatic cancers but only after 2 short weeks of changing her diet plan and adding baking soda to raise her PH the test outcomes returned and the tumor was gone.. Charlotte Gerson is my heroine. Overall, this extra depth worked to enhance the publication to something beyond a mere summary of the Gerson therapy, as to be a source of practical assistance and food-for-thought, offering element even to visitors without interest in the treatments.. A treasure! My hubby was diagnosed with Vertigo. I have seen specialist after professional in lots of countries and attempted everything. My overall health picture offers improved from a level of 5, when I started, to a level of 8 today.. pharmaceutical solutions only worsened my pain and sped up the deterioration of my own body through the years. I occurred to come across one of Charlotte's lectures one day and that's when I discovered the Gerson Therapy. Charlotte's function has given me hope - and for the first time - I have started to experience real healing from the within out. This therapy is definitely tough - but there is absolutely no magic tablet or shot that will fix everything. This reserve is an invaluable device packed detailed guidelines not merely on healing from illness, but also on avoiding disease by adopting a way of life that rids our exposure to toxic chemicals, detoxifies the body from toxins that have accumulated up until now, and provides your body with a number of rich nutrition from fruit and vegetable juices and meals. This book offers a large amount of the rich explanation you might not find in Dr. It really is, generally, readable for a reserve of its type, with available formatting and functional composing (though, oddly, the written text repeats itself several times, in various sections -- no biggie, but kind of awkward, I thought)." I've watched all of Charlotte's lectures I could get my hands on and I intend to finish reading each of the Gerson books from cover to cover. Anti-cancer life advice Great reminder that what we eat influences the standard of our lives. Max

Gerson more than enough for their extraordinary life's function and determined effort towards helping people all over the world heal from chronic disease when conventional medicine has given up. that was 6 months ago. I like this publication and I'd recommend it to anyone who needs a health makeover.³ This is the best therapy Here is our story. I was identified as having chronic ailments and was told that cancers will inevitably pass on, and as a person, working with all this has been of the very most challenging things for me to handle in life. today I take one about every two weeks. So, I started to do a study by myself and came across the Gerson Therapy. After listening Charlette about the toxicity within your body I started to question if my husband has this disease due to it. But hey, if you're fighting for your daily life, you don't wish easy. My husband was extremely reluctant to try out this therapy, but after the last vertigo episode he said he will try anything. Now 3 years later and no vertigo. We do the juicing for about a six months and he started to feel better. Charlette Gerson many thanks for sharing this therapy you made my children healthier and happier. You are our idol. Good browse - very inspirational and informative I don't have tumor (that I understand if) but I really do have a problem with autoimmune diseases and this publication has been an inspiration. The impact of the meals we eat and it affect or benefit us Learn healthy living Nice info Good info! Actually I'm confident that if I were diagnosed with cancer I'd fight hard to do this program within my treatment. As it is, I'm only implementing particular parts until I reach a place where I can invest in a full initiation with a continued maintenance period after. This is a fantastic Book. They don't promise that it'll be a miracle cure for everyone. They acknowledge that differing people will get different results predicated on their level of adherence and their underlying circumstances.. It's extremely labor intensive, frustrating and the rules are very strict. Of course I asked the professional, he said that may not end up being the case. You want to buy to WORK! The initial Gerson therapy This is the real gerson therapy.. I decreased my A1C from 6.. don't obtain fooled into investing in a copycat. I can't praise Charlotte Gerson and Dr. One of the early pioneers in the region. Informative, Wise, and Valuable I got a lot from this reserve. Max Gerson's reserve, "A Cancer Therapy: Results of Fifty Instances. And, furthermore, it completely delivers on its premise, providing an extremely comprehensive summary of the Gerson treatment and its own underlying theory and mechanics, plus an equally rich collection of recipes and the like. If you're contemplating the therapy, the book leaves no question unanswered. Best, however, is the great deal of complimentary information, which not merely covers many additional, related health issues, but also provides many pearls of wisdom, and a consistent overtone of good, sound reasoning -- positive vibes, since it were. Also, I came across the large most this information to agree with my personal experience when it comes to health, way of life, and my general worldview, for what that's worthy of.. We followed the majority of the directions in this reserve and my husband is now cancer free! Excellent book for controlling your daily diet while fighting cancer We lost a whole lot of weight with all of the juicing that he recommends for the first six weeks. It very clearly lays out the principles of the program and just why certain practices are implemented. I also bought the video "The Gerson Miracle", as a companion with this book. He refused to do anymore chemo from that evening on.
