THANK YOU LOUISA!The purchase price on this book does not even begin to compare to the amount of money, time and most of all RESULTS that knowledge will give you.3 An absolutely amazing book. It truly has some incredibly simple and yet powerful key..This book was ideal for me since it get right into the solutions without having to read endless explanations and stories.. < It's the perfect gift! I believe women would find this an excellent "girl-friend" present... Although one could probably find identical elixirs on the internet, and although the author's cure-alls may not provide eternal youth, I'm having a great time making my very own masques and age place erasers. Someone has pulled my leg Save your valuable money because.. It is literally a list of solutions. Save yourself the amount of money and just go on YouTube and search "hollywood beauty secrets." You will not find anything more in this book than what you can get for free online. Got it on Kindle for my telephone and I want .. This women has done her research! First got it on Kindle for my telephone and I wish I would have bought a paper copy it's packed full of information and using Kindle on my telephone its really difficult to scroll through and get to different sections of the book without needing to go the long way-page by page. Great ideas in this book..Full of great ideas, and easy to understand. Two Stars I'm not offered on all her ideasNothing life changing. How exactly to take better treatment of ourselves is something we are usually learning about.Thisbook is a superb addition to any self help library, buying another for my sisters daughters.They have become young teens and the information will be priceless to them as the years pass.. Good book. Good book for info and several helpful hints. Hollywood Beauly Secrets: Remedies to the Rescue This compilation of a model's home made (literally) beauty potions is so much fun. The elements are easy to obtain, and those I've tried really work. The publication is well organized and well-written. I have tried many of the remedies that are in the publication and they do not work at all. I have tried many of the remedies that are in . Five Stars a great book Four Stars great beauty tips for brain, body and spirit Three Stars Good ideas in this book! Three Stars beauty secrets much better
