Donna Hay, Australia's bestselling, favourite & most trusted cook, provides you one of her most gorgeous books yet: Modern Baking, with over 250 mouthwatering dishes for cakes, biscuits and all sorts of divinely delicious lovely treats. I find there's something really enchanting about baking. From the way ingredients switch as they're whisked and whipped, to the pleasure that a warm slice of cake may bring - it certainly is been my first love in the kitchen. I've also included a lot of better-for-you treats, made out of wholesome raw ingredients, for a touch of balance. Inside are a lot more than 250 recipes - my all-time favourite essentials, and several super-wise shortcuts for when life gets crazy active. This reserve is what I like to think of as my contemporary baking bible. Even though I'm a classics girl at heart, I'm permanently adding on-pattern twists to my sweet recipes and I want to share them with you. Become it chewy cookies, the fudgiest brownies, dreamy meringue or creamy iced desserts, let these contemporary sweets bring a little magic into your kitchen.
