Hmmm.. In Stock or not How long does it take to find this book in your warehouse.I don't know about this one. :/ Good book which articulates the main element risks and aspects of . I did learn some essentials but I disagree with a couple of things.. I got hands on at school and paid a fairly penny for the lectures, homework and checks. It simply depends upon your character, lifestyle, marketplace, etc. Good reserve which articulates the main element risks and aspects of cosmetic tattooing. There were also a couple of things that were word after word found in other publications. Uncertain who plagiarized whom. Requirements editing.. It suggests you don't call it aesthetic tattooing. what you choose to contact it.! Thanks! I love this publication! She likes it and it is assisting her to get more knowledge about permanent cosmetics.Just as described by the seller. Great book! Five Stars good info Great Information Reviews were perfect. Present for my daughter who is currently a tattoo artist. Very comprehensive, and answered questions on color selection nobody else had a remedy for me. Absolutley worthless book Its a publication about managing business not about everlasting makeup techniques. This info everybody can find on internet.! . Well worth reading I went to school for permanent cosmetics and didnt get the info I got out of the book. This book addresses everything, even the procedure of how to do procedures. It really is cosmetic tattooing no matter which way you slice and dice it. The hands-on is definitely valuable, although this reserve covered a lot more. If you are considering long lasting cosmetics, read this book!. Why don"t I just walk to your warehouse and discover it myself. BAD Services!! Great value compared to other textbooks in the marketplace.It you don't have it then stop telling customer you do have it in stock!!!! .
