Make everyday a spa day time! In this book from designer and author Jessica Montoya, you will see 15 handmade bath bomb and fizzing bubble dishes, each with its own special touch, from fun forms and colors to unique ingredients and decorations. Clean your stress away and take your bath experience to the next level. Some bath bomb quality recipes cater toward those who love a little extra moisture and soothing substances, while other recipes offer aromatic fragrances and shades for the bath.

Cute recipes I acquired this book since it was the only one I could find which used the ingredients I wanted to use. The only complaint I've it that I used the publication for a bath bomb present basket and it came with the front cover badly bent. From the 10 bath bomb books I previewed this publication had the only quality recipes that talked about the use of mica powder color and polysorbate 80. It appeared as if I used the reserve ahead of giving it. It emerged in a box therefore i am not sure how it could have already been damaged.
