Perfect Book for Teens and Tweens Just exactly the book I wanted for our granddaughter. Our 13-year old niece loves it! the large amount of illustrations make it perfectly for readers of different amounts with an intention in fashion design. Just what you'd expect from DK Publishing.. Older styles. .. Five Stars Great gift for all age range of fashionistas Fun publication for my daughter! that was a plus and the book was in excellent condition. Bought this book for my little sister becuse she got a fashion sketch pad for Xmas I briefly viewed the reserve which arrived a time early which was a plus and the book was in excellent condition... Great images and fun to check out all the designs. I bought this as something special for my teen age daughter... Not what i expected it to be. My girl loves this reserve and is always paging through the designs and drawing dresses of her very own.i wouldnt desire to order 1 from these publishers. Not really worth the amount of money in my opinion Great book for a tween Great reserve for a tween.it offers a brief history of fashion and just why that fashion was important I think my sister will probably enjoy this Not what i expected it to be. My daugher can be 10 and adores it. Five Stars Great book . Poor return experience Super bummed with this experience. There is enough history put collectively in an exceedingly easy-to-understand group of chapters.Fast deilvery Five Stars Superb quality photos and info. Older styles . She did not like it, so when I returned it I got less than 1/2 the value of what I payed for it.
