Necessary for researchers of costuming, photography, cultural fads. This book is very thorough, covering many centuries of fashion history. It is a dictionary with text message only and no images. Terms pertaining to men, women, and kids are included. The publication would have been a lot more expensive to print if it had had pictures. Definitions are obviously written... Amazing information, every they could add will be some . Five Stars We love it For instance, some words mean different things in British English, American English, and Australian English. A great gift I bought this reserve for my girl for Xmas, and she loved it. It would be better if those things were noted. She' s extremely interested in the culture and background of fashion, and as she stated, this would also be useful when reading literature such as Jane Austen. Strongly suggested! goof Great book. Amazing information, most they could add would be some information upon when a word can be used in other languages differently.
