Five Stars Great book and gets you in the proper mindset for thinking of your son or daughter's safety Properly Written and Conscienousness Raising Well written simply by the psychologist who conducted an intervention for J.C. Dugard of reunification that tops all horrific tales about child abduction, and shares all that Dr. communication is crucial and as our world gets smaller and busier we have to let kids know very well what to consider. An excellent book. educational consultant Safe Kids, Clever Parents. self help for parenting Superb advice for parents of most kids big enough to walk. So much information regarding how to tell your kids the need to be familiar with situations that are not safe. My granddaughter is normally five years old and if there is anything we ought to know to keep her safe, I'm all for it. I saw the book's author in a daytime chat show and was impressed. Scary problems are presented rationally. Invaluable and essential resource for parents IN my 40+ year practice as a kid safety professional on local and national levels, this is actually the only book which prepares parents to essentially DO child protection parenting predicated on hard data and therapeutic practice. I hope that third , advice will keep my kids safe. An amazing book that teaches and supports parents to market child safety by emphasizing becoming alert and engaged. A very good book. I purchased the book for my girl for Christmas. AAA+++ AAA+++ Easy to read book Some great tips and incredibly easy to read and refer to often. In this day and age one can not be as well prepared! Five stars Great book. A must for professionals, lay people, all who cross paths and so are interested in the world of child abductions. Teaches how exactly to keep your kids safe ... Good read for all parents, grandparents and others that care for children Great publication! Teaches how exactly to keep your kids safe and sound. very important i believe all parents Have to browse this and apply the principles. Bailey learned. If we can not change the "bad guys" we are able to surely try to change what our kids experience.
