Great Read!! I'd recommend this book, an extremely easy read. It's an easy read and the knowledge she gives is excellent and informative. A great read for somebody that's trying to changeover to an all natural hair life-style or one which has been Natural for a long time.! Finished in one afternoon and discovered a lot about what to do to deal with my natural hair. Great tool!! It also encourages seasoned naturals to maintain the course. Great gift for TWA's! Natural Hair That is and excellent book with great natural hair information. Loved the book, extremely informative. Lady Key's 100Ideas for Natural Hair Success I found the book to be so helpful and I have purchased it for a number of people. I would recommend this book Five Stars Best book I've ever read. A great read for women who ware their locks in a natural style. Great Read! This book is is an excellent way to obtain knowledge for new naturals!!!! I am natural for almost two years therefore i love reading on it and attempting to finds fresh styles... very informative!! I would suggest it to everyone Natural Hair The book is cool. it is an excellent book to understand many different ways to treat and match your hair. Period.
