

The background of the entire image is a light blue sky filled with several large, vibrant pink balloons. The balloons are of various sizes and are slightly out of focus, creating a soft, celebratory atmosphere. A white envelope, which serves as the book cover, is centered in the foreground. It is tied with a bright yellow ribbon that forms a bow in the middle. The text on the envelope is written in a mix of elegant cursive and clean, bold, sans-serif fonts.

Though the end you will ever have may be near, it doesn't mean you have to stop living. After being diagnosed in her early thirties with terminal breast cancer, Heather McManamy felt like her life was crumbling. Heather began to write greeting cards to Brianna. With an effervescent spirit and a new perspective, Heather started to live each day as if it had been her last. Cards for her first day of college, her sixteenth birthday, her wedding day. She also pondered her daughter's future journey without her mom?and gracefully ready for this. Her "regular" vanished?and was replaced with multiple surgeries and a large number of chemo treatments that could briefly lengthen her life, but wouldn't normally prevent her inevitable loss of life. She learned to soak in the moment, appreciate the wonder around her, and commemorate her blessings. Cards for when issues were going right so when they were going incorrect. Cards for when Brianna would need her mom?whether in five years or in fifty years-and Heather wouldn't have the ability to be there on her behalf. Cards for Brianna is the story of one mother's powerful love on her behalf young child and Heather's unmatched encounters, laced with laughter and charm, are a reminder to never have a single day for granted.

Wonderful book! Heather provided such a beautiful gift in sharing her story and Personally i think thus grateful that she did. It normally takes me months to read a book which one I completed in a couple days as I couldn't put it down. She shows such honesty, humility and perspective that you feel you are with her during her journey. I value that she doesn't sugar layer the experience so others can learn her real perspective but she also has such great love of life as well! As a hospice worker and mom of a 4 season old I must say i took her tips to make sure every day matters, find the worthiness in things rather than take these moments for granted. Inspiring and enables you to appreciate life a lot more than I can explain. I knew I had to learn the book.. . The day she remaining this globe was the worst day time for many of us that she touched with her friendship and phrases. It's taken me almost a year to buy this boom because I understand my tears will come. My wish can be if you buy this publication that you have a higher appreciation forever as Heather do. I'm glad I've her words before me. ? Heather, such a female of courage! Once I began I came across it hard to put it down... One of the best books. I came across Heather (the author) through a Facebook post that went viral. I instantly fell in love with her spirit and devotion to her daughter. A excellent reminder of my friend!! Great Mother's Day gift idea too. The one thing I disliked is the fact it ended. Very moving reserve. I could be at my lowest point and she had what to turn me around. Loved that she wrote such a touching book which will keep her memory alive for therefore many, love this book When I heard that Heather would be publishing a book I knew right away it would be good.. True story of stage 4 cancers through a mothers life and what she will to help her child through life after her death. Since I am a breasts cancer survivor it certainly hurt my center to observe her suffer, yet stay so brave and courageous. I could've read on and on and on. The book surprised me by being better still then expected! It produced me laugh, it made me cry, it made me laugh some more.your gift took the our horrible fear of death simpler to live with. This reserve is an read, easy because it's about such a very simple concept: live, laugh, love and make everyday matters!. Having two toddlers playing around, I was surprised that I were able to surface finish it within the first 24 hours of starting my mail box. Emotional book need to read! What an unbelievable, honest book! Anticipate to cry a lot! One of my best recommended reads! Amazing book that I'd recommend for anybody! It creates me appreciate the little things in life more now than ever. I cried reading it a whole lot but so worthy of the browse and reread! She truly left a wonderful present behind to her daughter, husband and the rest of us so thank you! Very moving reserve. I only wish I fulfilled you Beautiful Lady Great condition, arrived as Great condition, arrived as expected. This book brings happy and sad memories of conversations with Heather during my breast cancer treatments. . Heather was a very strong and determined girl and it had been an honor to learn her book. Very moving look into a mothers love and setting a future for her girl Brianna after she loses her mom to cancer This is a very quick read that draws you in quickly. We had the privilege of being Heather's FB friend throughout her trip with the insidious disease that took her young existence. I think this is a good idea and really took a different look at cancer tumor and the struggles to still exist to the fullest as your last days approach. I must say i hope this can help Brianna through existence and she realizes how strong of a fighter her mom was literally up to her final day! The book is certainly a tear jerking reading knowledge. Uplifting Tragedy Done beautifully Well crafted This book will impact your daily life I ache for her family and friends God bless Beautiful lady,My New inspirationin In our family funerals are Celebrations Of Lifestyle too. By scanning this beautiful reserve I did not cry. I was to enveloped in your LOVING present to all of us that read all of your phrases God puts us here

for a reason. It made me hug my kids a little tighter, and inform my husband how much I really like him a supplementary time. Heather was an extremely strong and .
