Excellent Resource for Organic Hair Care! Excellent Resource for Natural Hair Care! Peace Beautiful. Highly Recommend this guide if want healthy hair! not very informative I did not like this thin little 32 pages manual, that isn't very informative; It lets you know about ingredients, but does not name any items. We are miffed with myself for picking this foolish pocket webpages up. Once you browse it you get yourself a feeling of knowledge, which is a great feeling. It is thoroughly informative, and give products name, and elements. I am letting you know ladies and males, if you need to know about black hair, pick up the science of black hair; I learned lots of tips about how to netyer care gor my hair. Do not waste you money, buying this little foolish book. Hair Care I really like this book... Blessings for healthy hair care I am altogether awe of The Black Hair Manual! Five Stars Good resource book Five Stars Very informative. easy to understand The booklet is very informative, clear to see Three Stars exceptional product guide, for just about any black woman will recommend Great Quick Read We am a stylist who is centered on creating regimens for my clients to really have the healthiest hair possible. This book gives amazing information in how exactly to do just that. I am thrilled to pass this understanding on. And she provides wonderful tips on hair care. I really enjoyed reading your book I really enjoyed reading your publication. You are going to thank me to make you buy this phenomenal book (the science of black hair) .! Guidebook contains charts and clear to see information for hair regrowth and repair. I even follow the author on YouTube aswell. And I'm actually proud to find another sister doing her factor.! With the helpful assistance, patience, passion Breanna Rutter has shared with me (and the world), I can anticipate my locks growing healthier and more powerful before the next fight comes around. I use natural items in my hair based on the seasons and the weather during each season due to how my locks reacts to the southern climates. Breanna has blessed me with a far more detailed and described routine for looking after my hair. my locks has survived an extended trip through battles with tumor more situations than I caution to count.!!! Many thanks and could God bless you!! Always grateful, LaDonna
