Helpful, simple, individual, concise. This book may help someone who is immobilized for whatever reason and cannot attack their overstuffed, cluttered closet. The author (your brand-new smart, patient best friend) holds your hands and goes through the mental process initial: deciding whether to obvious it out and organize, and just why it matters. She suggests lining up a "declutter buddy" showing or share before & With therefore much focus on conspicuous consumption inside our society today it really is refreshing to learn about ways to reduce all this excess in our closets and eventually in our homes! Additionally there is practical advice on classic clothing, shoes and what to buy so when.really glad I bought this one. In the event you keep, sell, give away, ditch or store? Hence book goes from mindless bargain trying to find whatever's in to really curating your closet.Ask yourself these questions before making a decision:Does it match me? This book can advantage just about everybody except, maybe, a person who is definitely a minimalist already!Could it be 'me'?Does it produce me say 'wow'?Could it be too old, in bad condition or history its 'wear-by-date'? Five Stars Helped out a lot Four Stars It helped me get organized in lots of ways.Is it classic and good quality enough for multiple wears and/ or years?Do I already have something similar? I acquired my suspicions, but it was great to see it in writing. Easy to read, easy to follow techniques for decluttering your closet -with a French twist I found this book to be entertaining along with useful in motivating me to completely clean out my closet and keep only those items that I love and so are also hopefully common parts. The last chapter is definitely helpful information for what classic items every closet should contain. I believed this will be extremely useful as I review the clothing that are left to observe what I have that's common and what I need to buy in the near future. organizing the mess I learned how to straighten out the junk I have already been hanging to and how to assemble a new classy yet functional closet while putting together an excellent fresh tidy closet and drawers in one sitting. Only 1/4 of the way into this book and is solving numerous problems that make dressing challenging..The essence of her advice is summed up here:This is the time to undergo your items one by one, making the decision as you go. Best closet reserve ever! I now know what pieces to maintain for a classic wardrobe for all events year around. Finally We was glad to discover I'm just a clutterer rather than a hoarder.Finally, does your hubby think that you are sexy in it? I recomend this quick examine if you are on the edge, to find good ways to organize. Not just their closets, but it additionally helps in the rest of ones life as well. Helpful Advice for All Fast, easy read that is mostly common sense though it will help in kicking your butt to go ahead and begin to clean your home, your closet, your clutter. She's practical, helpful advice along with the effects of keeping the mess on a physical and psychological level. She's no judgement and advocates a number of different methods that help all sorts of people. And then, the big clean. Worth the go through!Does it suit my personality and my style? great plan What great ideas-so easy-loaded with great tips, plans and structure-stage by step-easy to get and stay motivated-and continue daily-so you do not get overwhelmed- Good Riddance Enjoyed the chic and elegant handbook so very much that I purchased the tidy closet!..! after photos with.. I also bought the "gentle art of Swedish death cleaning" reserve. Both books give amazing tips about how to minimize all of the excess that we have in our closets and in our homes. We have to think of others and long term generations and how all of this excess will adversely affect them!! The French motto is "less is more" is actually the only path to take our lives!!! Good, useful information Useful information. Excellent tips Good ideas to help you get and stay organized. Same ol' same ol' Very easy read but actually just a rehash of familiar ideas. Lecoeur will walk you through wardrobe evaluation, decluttering, washing and arranging your closet and help you test your clothing to produce a classic wardrobe. If in doubt, try things on. Four Stars Closet still not tidy..! Great ideas! Although I know I have to clean MY closet, I haven't done it yet but now that I have read this publication, I am actually going to do it this weekend. Worth the kindle cost. As someone who wants to shop, I as well possess a closet of mess that the author has helped me rethink.Will it go with as many of my other clothing as possible?..! however, a few of the details was common sense. Ms. No brand-new or earth shattering recommendations or solutions. Just OK.
