Unique I like what sort of letters in the puzzles are boxed in a graph like format.. received as ordered! Don't Purchase This for Kindle The puzzles were too small to read on Kindle, and no amount of zooming in would help. You will need a magnifying glass to learn anything the print is so small and my Kindle doesn't let me change print size in Any of his books. You can not do them on Kindle eReaders or the Kindle for Personal computer. Boring This book starts out really well with a few words that I don't know. By puzzle 50 I caught on to the authors style and finished it very quickly. A word of tips for authors, become unpredictable normally I get bored. Have another of this author's term search books.Need Magnifying Glass to See. Something exclusive if you are exhausted of the same kind of word search. Five Stars Everything works &.
